

## 2025-26 MONUMENT HOCKEY CLUB

Monument Hockey Club (MHC) is proud to field an 18U team for the upcoming 2025-26 season. This team will compete in the prestigious [North American Prospects Hockey League](#) (NAPHL), facing off against top-tier competition from across the country. With elite-level training at MHC and high-caliber gameplay in the NAPHL, our program is designed to foster development and support player advancement.

Our mission is to help each athlete grow their individual skills, compete at the highest level possible, and become exceptional individuals both on and off the ice. We build our program on three core values: **Empathy, Gratitude, and Relentless Work Ethic**. Our coaches seek players who show up every day with a desire to improve and who embody these values in everything they do.

What sets MHC apart is the quality and consistency of our development environment. We train out of a privately owned, two-sheet facility that offers abundant ice time at optimal hours. In addition, athletes have access to 365 Performance, our on-site strength and conditioning center, led by 18U Head Coach and Director of Strength & Conditioning, Justin Walters, and his expert staff.

We're proud to be part of the NAPHL, which provides our players with a competitive showcase schedule and exposure to high-level junior and collegiate programs throughout North America.

The unmatched combination of elite training, world-class facilities, and top-tier competition makes Monument Hockey Club one of the premier hockey development organizations in the western United States. Our program gives your athlete the platform to grow, compete, and excel at the next level.

## **Monument Hockey Club 18U 2025-26 SEASON | FEES & INFORMATION**

**Hockey Fees:** \$6,300

**Travel Fees:** \$3,960 (\$1,320/trip)

**Seasonal Gym Membership (optional):** \$1,000

**Equipment Package:** Approx. \$1,000 (billed separately at a later date)

### **Hockey Fees Include:**

- Three 75-minute MHC team ice practices per week
- Three 45-minute off-ice strength & conditioning sessions per week at 365 Performance Training Facility
- Participation in NAPHL tournament events
- Coaching fees
- Season runs from August 2025 - February 2026

### **Travel Fees Include:**

- Costs for three out of state trips (\$1,320/trip)
- Travel costs include airfare, transportation, hotel, and other items for your player. Parents are welcome to travel to watch their player, but we ask that you stay separately from your athlete to allow them time to bond with their team. We believe family is important and each trip itinerary includes designated family time during the weekend.

### **Additional Fees & Info:**

- Equipment Package (jerseys, pant covers, workout gear, warm-ups, etc.) – details will be provided at a later date; gear will be purchased separately
- Seasonal Gym Membership – optional access to full off-ice training facilities at 365 Performance
- Injury & Illness Insurance – available and strongly recommended for all players. Insurance can be added during registration checkout. **Please note:** Refunds will not be issued without insurance coverage
