WHY TEAMS STANDARDIZE ON TILO

01 REAL CUT PROTECTION

Engineered fabric rated to **ANSI cut level 6** at the neck and wrist — real protection against skate-blade lacerations that still moves with the player.

02 TRUSTED AT EVERY LEVEL

Warroad protective gear is worn across the NHL, AHL and PWHL and carried by USA Hockey programs — the same standard, now on your bench.

03 BORN FROM MN HOCKEY

Warroad was inspired by Minnesota hockey and built by Warroad alum and NHL star TJ Oshie. Outfitting a Minnesota program in Warroad puts the state's own game on your bench.

REQUIRED UNDER 18

USA Hockey mandates neck-laceration protection for players under 18. TILO is built to meet the standard at the neck and wrist.
