We invite your club to register and join us for our exciting events. Spaces are limited, so we encourage you to register as soon as possible to reserve your spot. No payment is required at the time of registration.

Once your team is registered, we'll provide a list of recommended hotel options along with access to our negotiated group rates whenever available. There is no requirement to stay at any of the hotels we provide—our goal is simply to make trip planning easier by keeping hotel information and available discounts in one convenient place.

Due to the popularity of events in the area, especially on weekends when the Green Bay Packers are playing, hotel availability becomes limited and rates can increase quickly. Registering early allows us to help you access the best available lodging options and pricing while giving your team the greatest flexibility in choosing accommodations that best fit your needs.
