CONCESSION STAND REMINDERS

Hello WYH families,

Recently I have been informed that we have been leaving a few things on after the closing shift. Just a reminder that the following needs to occur at the end of every shift:

- Coffee pots need to be emptied and cleaned. The burners need to be turned off
- Food warmer needs to be turned off. This is accomplished by turning the heat dial to a zero temp and turning the light off.
- 3 pan food warmer for Mac N cheese, hot dogs, and pulled pork should be unplugged.
- slushy machine should be filled from mix that is in the fridge.
- Soda cooler needs to be filled in the concession stand AND cooler in the pop closet.

There also has been notes about needing more pretzels, hamburgers and cookies. While we have the small freezer in the stand and that holds usually enough for one nights of work we have an additional freezer that is located at the very back of rink 2 past the bleachers and the Zamboni. We have extra supplies in that freezer.

Finally for counting down money at the end of the shift. There has been an abundance amount of quarters put into the deposit bags. At the end of the shifts we should be counting the money in the following manner:

2-10's to equal \$20.00

7-5's to equal \$35.00

Count quarters to the whole dollar and split between both start up bags.

Finally count out 1's to equal \$100 total for the start up bag.

Please help us keep the cost down for the amount of rolled quarters that we need to get. Nick and Tony appreciate the assistance.

Thank you for everyone that has been working in the concession stand. This volunteer time helps the Wausau Youth hockey keep the registration costs low for all the families.

Thank you,

Tony Hollander

USA HOCKEY REQUIRES NECK LACERATION PROTECTION EFFECTIVE AUGUST 1, 2024

Sunday, January 28, 2024

COLORADO SPRINGS, Colo. – The USA Hockey Congress today approved legislation requiring the use of neck laceration protection for players in all age classifications, other than adults, in games and practices, as well as for on-ice officials under the age of 18, effective August 1, 2024. For clarity, the requirement includes players in the youth, girls and junior age classifications.

USA Hockey has long recommended the use of neck laceration protection, as well as cut-resistant socks, sleeves or undergarments. The USA Hockey Board of Directors asked the organization's Safety and Protective Equipment Committee in November 2023 to begin the process of recommending potential rule changes related to neck laceration protection.

Note from Wausau Youth Hockey - those without neck protection will not be allowed to practice or participate games.
