Job Title: Lincoln Girls' Lacrosse Head Coach and Assistant Coach
Location: Lincoln High School (in the Seattle Public School District)
Job Type: Seasonal, with most commitment during the Spring Season (late Feb-early May).
Frequency: Practices are weeknights (5) 1.5-2 hours, plus 1-2 games per week late February to early May. Games require some travel.
Start Date: As soon as possible, but the season doesn't start until February
Overview: Lincoln High School in Seattle is seeking coaching staff for its Girls' Lacrosse Team. We are looking to recruit both a head and assistant coach. Girls Lacrosse is not a school-sponsored sport. It is a club sport that is part of the WSLA high school league. The team is run by coaches and student leaders and governed by a parent board. The lacrosse team provides an opportunity for students to compete, grow, and enjoy lacrosse in a supportive and inclusive environment. The coaches will work closely with each other and student leaders to organize practices, lead skill development, and guide the team during games.

Key Responsibilities:

- Serve as a mentor, leader, and positive role model for student-athletes
- Plan and lead engaging practices that promote individual and team development.
- Teach proper techniques, game strategy, and lacrosse fundamentals in a safe, inclusive manner.
- Support student leaders in scheduling games, organizing transportation, and coordinating events.
- Attend and coach all games, tournaments, and team functions as agreed upon with the club.
- Foster a team culture that emphasizes respect, effort, sportsmanship, and fun.
- Ensure player safety at all times, including maintaining basic first aid knowledge and awareness of emergency procedures.

- Communicate effectively with students and parents/guardians. Support the team in fundraising, equipment management, and budgeting as needed.

Required Qualifications:

- Experience playing or coaching lacrosse (women's or co-ed) at the youth, club, or high school level
- Ability to work collaboratively with students and school staff in a mentorship capacity.
- Enthusiastic, flexible, and student-centered coaching style.
- Ability to pass a background check in accordance with school or district policy.

Preferred Qualifications:

- Previous experience working with high school students in a coaching or teaching role.
- First Aid/CPR certification (or willingness to obtain).

Compensation: This is a stipend position. Compensation details to be discussed during the hiring process.
