

## Signing Up For Volunteer Hours

To access shifts that are available, log into SRYBA's website.

Navigate to your account, where the following menu will display:

From here, choose "Volunteer" where a page with all the available volunteer sessions will display. You will also see a summary at the top of the page, showing your status of required, completed and committed hours that you have signed up for.

To sign up for a shift, choose "More Information" on the specific session to jump into the session and available volunteer shifts.
