Dear Community Partner,

The Arbutus Athletic Association (Arbutus A.A.) is a youth football and cheerleading program that has been in existence since 1926. Our organization is proudly the oldest youth football and cheerleading organization in the country, consisting of approximately 300 boys and girls, ranging in age from 4 to 14. To keep this historic organization as successful and vibrant as it has been, we need your help. Through your generous donation you can help keep the Arbutus Athletic Association a thriving community resource for our children.

The Arbutus A.A. is a proud member of the CCYFL (Carroll County Youth Football League), a league that has recently been revived and improved to provide the best athletic experience for all of our participants. Because of the hard work, dedication and commitment of all those who participate in our program we are able to teach our children the fundamentals of both football and cheer as well as the skills they will need to be positive and productive members of our community. Many of our alumni have gone on to do great things, both on local and national platforms. At any time of the year, all around our community, you will see players proudly wearing their jerseys, hear our cheerleaders chanting their cheers, and see parents in their spirit wear. We pride ourselves on providing a family atmosphere and being positive role models to the youth in our community.

The Arbutus A.A. must raise funds every year to help defray the costs to our families. Each parent and coach does their part to help, like paying registration fees, volunteering in our concession stand and participating in organization fundraisers. We seek sponsorships from individuals and business in order to raise the additional funds needed to make our program successful. Your sponsorship dollars will help cover the costs of major expenses, such as uniforms, equipment, league and official fees, and the other costs involved in running a youth sports program. Your donation is likely 100% tax deductible*.

We welcome any comments or questions regarding the details of your sponsorship. We are excited to celebrate our 100th season with you, on behalf of our outstanding boys and girls; we thank you in advance for your consideration and support of the Arbutus A.A.

Sincerely,

The Board of Directors
