

PRIME OF LIFE WOMEN'S SOCCER LEAGUE

MEETING MINUTES

AUG 10,2026

In attendance: Jany Staley (President), Nancy Gackstetter (Vice President), Tina Zucker (Treasurer), Karin Lewcock (Secretary), Lupe Mahoney (O58), Sharon Wiback (ALPL), Carianne Fawcett (Celtics), Joyce Davis (Hot Tamales), Cindy Cook (Go Getters), Maire Jergens (Flash), Kristy Matthews (Fusion), Nona Marsh (O58)

Absent: Cindy Suarez (Registrar)

Topics

1. Field Status

- a. Jany checked on the availability of other fields (including Whitman) but none were available on Saturdays in the fall, so games will be at Alcott Elementary
- b. Season will start September 12 and end December 19, with weeks off for Thanksgiving (11/28), Huntsman Tournament (10/10) and San Diego Senior Games (9/19)
 1. There will be no scrimmages for the weeks off, as they were poorly attended previously

2. Team Status

- a. All teams from Spring will return in Fall (ALPL, Celtics, Flash, Fusion, Go Getters, Hot Tamales)
- b. O58 change to O60
 1. Jany proposed to have the O58 changed to O60 since there is no longer a problem with low attendance, and that was the reason it shifted to O58.
 2. Nancy motioned to have the change take place in fall 2026 season, Karin seconded the motion. Vote was unanimous in favor of the change.

3. Subs

- a. We will create a sub list on our website for the fall season. Players who want to just sub can pay \$60 to be added to the list or they can roster on their regular team and then request to be added as a double roster.

4. Team Roster

- a. Jany requested that each manager send her a roster list for their teams before the fall season starts

5. Fees

- a. Full time players will be \$85
- b. Part time players will be \$60

6. SD Senior Games

- a. Volunteers needed, please ask your players
- b. Gift basket drawing – One basket should be donated per team

7. New business

- a. Game balls – Every team is required to bring a ball for the game.

- b. Some indicated they had balls to donate to the league. These would be left in the storage container.
