Public Comment: None

Approval of September Minutes: Approved

Team Updates:

- JV2 – Recently won a game and had a couple close other closer games, which is an improvement. Have several injuries currently; none appear to be long term. Positive feedback being received regarding the coaching.
- JV1 – 8-2-0 overall on the season so far. One player concussion over the weekend, but other than that healthy.
- Varsity – Dealing with several injuries, a couple appear to be long term. Blue players stepping up to fill in.

R&E Committee:

- Two JV1 parents, one JV2 parent and one Varsity parent are on board so far. The minimum number for the Committee is three, therefore, we can move forward with who we have while we try to establish more members.

Remaining Tournaments:

- Minnesota hotels and schedule should be out by the end of the week.
- All three teams registered for the Thanksgiving tournament in Mt. Prospect.
- Coaches still figuring out the January tournament. We need to get information out to the teams asap if the coaches are looking at tournaments that would require a flight. The goal is still to get all three teams in the same tournament if possible.

Cancer Skate Recap:

- Able to donate \$2,800.00 to the Cancer Support Center. This is less than last year due to the JV1 opponent backing out last minute, but overall successful.
- \$400.00 in sweatshirt sales.
- Team Managers working on collecting the pink jerseys to re-use next year.

7th/8th Grade Skate: Joe working on dates for this.

Bears Squares Update: \$1,050.00 paid out to date, \$450.00 to LW Hockey.

November Little Lotto Fundraiser: Steve will send an email out to the organization giving everyone the details on this fundraiser.

Glove Order Update:

- 61 pairs ordered, 61 received, so the quantity was correct, but the number of each size was off.
- Steve placed the backup order for the additional Size 15 gloves we need.
- JV2 player missing Size 14 gloves that were placed in the equipment box at HF. Steve sending an email out to the organization in the hopes of finding them and having them returned.
- Steve reaching out to Lyndsay at HF to see if it is possible for LW to get a metal storage cabinet to keep in the storage room at HF to house inventory of equipment securely.

Picture Night: Luke has some potential November dates that he is looking into.

Home Ice Events:

- Food Drive (November 15th)
 - Joe is hoping to have Varsity and JV2 opponents by Wednesday.
 - Managers to make teams aware of this upcoming event.
 - Need to obtain a list of preferred items from the Food Pantry to send out to the organization.
- Christmas Toy Drive (December 6th) – Joe working on JV1 opponent.
- Senior Night (January 10th)
 - Steve is starting to ask for player photos now for this event.
 - Need to brainstorm senior gift ideas.
- Project Fire Buddies (March 14th)
 - HF to donate the ice.
 - Steve coming up with custom jerseys that players will have the option to purchase.
 - Game will be open to seniors first, then juniors will be picked at random to fill in.
 - Need to come up with fundraising ideas (maybe Grand in your Hand to sell ahead of time).
