

## TBA Minors Division Rules

The purpose of this division is to introduce our kids to the game and a little more in-depth than t-ball. Our focus should still be on fun! We are a development program, and we need to keep that in the forefront.

The focus of each practice should be:

- Throwing to a person.
- Catching.
- Swinging at a pitched ball.
- Having FUN!!!!

### Game Rules

- Whole team plays in the field, but position infield closer to “real” positions.
- Bat whole team every inning. 4 pitches from the offensive coach, then tee if needed.
- Everyone runs the bases, last batter treats it as a “Home Run”
- Kids switch defensive positions every inning.
- One hour time limit.
