

Step One - Signing Up with DiveLive

You may sign-up using your phone or a computer.

- To sign-up by phone, go to the Google or Apple Play store and download the “Dive Live” app.
- To sign-up on a computer, go to diveliveapp.com and click in the upper right corner login and go to sign up.
- Follow prompts to register.

For Coaches

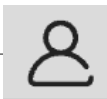

1. Once you've completed the sign-up process, sign in using your unique email address and password.
2. To be associated with your team, go to the magnifying glass icon.
3. Go to "find a team" and click on it. If the team is not there request that it be added to the database.
4. The head coach should click on their team name and request to be named coach of the team.
5. This confirmation process will take 24 hours or less; once Dive Live confirms that you are the correct coach for the team, you will have control of the team on the app.
6. This process will take 24 hours or less; you will receive a notice through the app or email that the process is complete.

Team Management

1. Once the coach is affiliated with his or her team, they may accept or reject divers, other coaches and team administrators who want to be associated with the team.
2. At the top of the page you have “invitations” showing people requesting to be associated with your team. Click on "invitations" and accept or reject request.
3. The team icon is the icon with two people. Click here and you'll see divers coaches, team administrators and followers associated with your club.
4. Once the diver is accepted on your team, they will receive a calendar section with meets your team has been invited to or are eligible for.
5. The “home” icon will bring your divers to a news feed, which is associated with activities of your team.
6. The coach and the team administrators will also be able to create meets and post them to the Internet in a matter of minutes.

A screenshot of the Dive Live app's registration form. The header features the DIVE LIVE logo and a hamburger menu icon. The main heading is "Let's get your team approved!". Below this is a thank-you message: "Thank you for helping us keep Dive Live clean and accurate. Please tell us about your team." There are two input fields: "*Your name" and "*Your email". A mouse cursor is visible over the email field.

Diver Sign Up

1. Divers will need a unique email address along with the password to sign-up (this email address must be different than a parent's)
2. Once the sign-up process is complete, you may go to the login process.
3. Click on the small magnifying glass icon go to find your team, and request to be a diver on that team.
4. The diving coach must accept you as a member of the team before you're able to sign up for meets as a team member.
5. You will receive a notice through the app or email that you've been accepted by the coach on the team.
6. If you're not a member of a team or club, go to "find a team" type in unattached and register unattached.

How to Enter a Meet

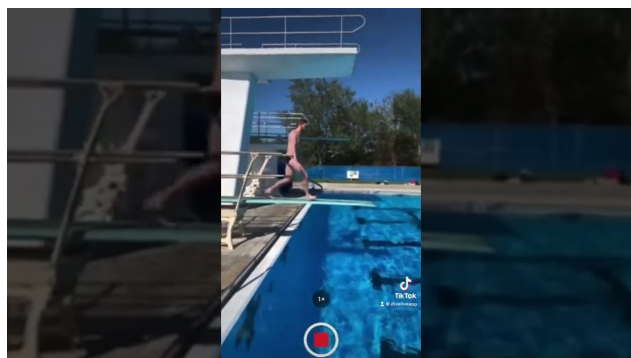

1. To enter an AAU or USA diving meet you should go to your profile page (single head and shoulder icon).
2. Type in the governing body's assigned membership number and click verify.
3. To facilitate verification, confirm that you have entered the name, address, zip code and date of birth as they appear on your governing body membership.
4. For high school and college meets there is no confirmation of governing body membership.
5. Once the diver is in the system, go to the calendar section and click on the meet they wish to enter.
6. At the bottom of the page click on "ENTER/EDIT DIVE SHEETS".
7. Based on your eligibility you will be brought to dive sheets for the events you are eligible for.
8. Fill out dive sheets for the events you wish to compete in and press submit.
9. If is a paid event, you'll be brought to a payment processing. If it is a non-paid event, you are done.
10. Divers may edit their diving sheets at any time unless the meet administrator does not allow changes.
11. Divers may check the dive order their board assignments and watch live results on their phone.
12. The diver's dive sheet will be emailed to diver at the conclusion of the event.

How to Add Video to your Dive Sheet.

1. Divers may also add video to the dive sheets.
2. Once the event starts go to the leaderboard.
3. The middle of the three views will have the divers name and dive number that they're performing.
4. Press the camera button and videotape the dive.
5. The video will automatically go to the diving sheet.
6. Only coaches, divers and followers may videotape divers on their own team.

Team Administrator Sign Up

1. Complete sign-up process on phone or at diveliveapp.com with a unique email address and password (must be a different email than your child's if they are signed up).
2. Sign in and go to the magnifying glass icon and find the team.
3. Request to be a team administrator on that team.
4. The diving coach must accept you as a team administrator.
5. You will receive a notice through the app or email that you've been accepted by the coach on the team.
6. Team administrators will be able to set up and run meets for the club along with except members and coaches as part of the team

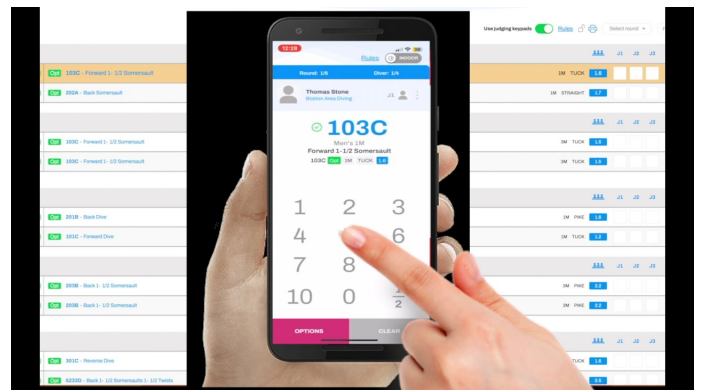

Follow Team or Diver

1. Complete sign-up process on phone or at diveliveapp.com with a unique email address and password (must be a different email than your child's if they are signed up).
2. Sign in and go to the magnifying glass icon and find the team.
3. Click the arrow to the right of the team or diver's name to follow.

Using The Judging Pads

1. You may use your phone or the host may give you a tablet. Any phone or tablet with access to the Internet will work
2. If you have the Dive Live app, you may just place your phone or tablet into judging mode. Next scan the QR code available at the table.
3. If you do not have the app, all you need to do is use your camera to scan the QR code click "go to"
4. Click the score you wish to give the Dive. Click the number twice fast to add a half.

For Parents Wishing to Sign-up a Diver

1. Sign up your diver using a unique email address (either theirs or one assigned to the diver) and a password.
2. If a parent wants to sign up separately to follow their diver, they must repeat this process for themselves with a unique email and password.
3. Add the DIVER's date of birth and other information during the sign-up process.
4. To sign up additional children you will need additional unique email addresses.
5. Once you've gone through the sign-up process, you may go to the login process.
6. Click on the small magnifying glass icon to find a team.
7. Request for your child to be a diver on that team. The diving coach must accept the diver to be a member of the team before you're able to sign up for meets as a team member.
