Every donation helps us cover event essentials like awards for our participants, amenities for athletes/families, and help cover operational expenses for the event such as hospitality and technology needs. In addition to your contribution going directly towards creating a memorable experience for all who attend, you will be helping us achieve our long-term goals: completing our dryland facility for our 90+ divers (portable flipping machine), purchasing and installing a new video replay technology to enhance training feedback, and covering/creating scholarships for low-income athletes, ensuring equal access to the sport .

As part of the **Rose Bowl Aquatics Center**, a nonprofit organization, your donation is tax-deductible, and we'll gladly provide a donation receipt for your records (**Tax ID 95-3994788**).

Thank you for considering this opportunity to support youth sports and foster the next generation of divers in our community. Your generosity makes all the difference, and we would be so grateful for your support! Should you have any questions, please don't hesitate to reach out to me directly: 774 – 420 – 8992 or email [jmiralda@rosebowlaquatics.org](mailto:jmiralda@rosebowlaquatics.org).
