

HPHL Tournament Playoff Rules 2025

PLAYING RULES: USA Hockey and CAHA rules shall prevail unless otherwise stated.

- All games will be officiated by either 2 or 4 registered officials in good standing with USA Hockey and CAHA.
- The top seeded team will be the home team.
- **Volunteers:**
 - The home team will provide an electronic scorekeeping system operator and clock operator.
 - Each team will provide their own penalty box attendant as an Off-Ice Official
 - Remember - These individuals are considered “Off-Ice Officials” and must conduct themselves in a manner appropriate for officials. Off-Ice Officials are not allowed to coach and are to remain neutral.
- **Period lengths:** will be the same as during the regular season
 - Varsity: 17 minute stop clock x 3 periods with an ice make between the 2nd and 3rd periods.
 - JV: 15 minute stop clock x 3 periods (no ice make)
 - Girls: 15 minutes stop clock x 3 periods (no ice make)
 - **There will be NO ice make before sudden death OT/shootout/or sudden death shootout in any game.
- **Mercy Rule:** will be the same as during the regular season
 - A 6 goal differential or higher in the 3rd period will result in a run clock in all games including Championship Games.
 - Revert to stop clock if the lead is reduced to 5 or less at any time
 - Option for run clock prior to 3rd period if both head coaches agree and there is a 6 goal differential.

SEEDING: Teams in each division will be Seeded according to the following criteria

1. Total points from the regular season with a win = 2 points, tie or OT loss = 1 point, and regulation loss = 0 points
Note: If any league games are canceled due to any reason that does NOT result in forfeit to one team, then a PTS per Game average will be used to determine seeds for that division instead of Total Points. In order for a cancelled game to NOT be counted as forfeit BOD approval will be required.

Example: 11 pts in 11 games = 1.00 PTS/GM Average. Another team with 11 pts, but with 12-games would have a 0.917 PTS/GM Average and be seeded lower.
2. The following tie breakers will be used to determine seeding among teams tied in points:
 - a. Head-to-head game(s) during the regular season if only 2 teams are tied.
 - b. If more than 2 teams are tied, then the following tie-breakers will be used
 - i. Total points among the tied teams for games played among those teams only.

- ii. Highest total number of total wins in the season.
- iii. Fewest goals against during head-to-head games among these teams only.
- iv. Fewest penalty minutes during the regular season.
- v. Most shutouts during the regular season.
- vi. Coin flip
- vii. In the case of disputes regarding seeding and/or tie breakers, the final decision will be at the sole discretion of the HPHL Competition Committee.
