

LITTLETON HOCKEY ASSOCIATION
Littleton Hawks and Colorado 14ers

Dual Rostering Policy
2025-2026 Season

The following provisions apply to participation in hockey programming with Littleton Hockey Association (“LHA”).

LHA understands that parents may have questions regarding a player’s ability to roster on more than one team during the season. More options are becoming available for players to participate in tournament-only teams, out-of-state teams, non-national bound teams, and the like. In response, CAHA has modified applicable policies and procedures, expanding dual-rostering authorization in some circumstances and limiting authorization in others.

At the same time, LHA’s Dual Rostering Policy considers not only individual player interests, but the interests of the various LHA teams that may be involved as well. LHA teams rely on consistent attendance and commitment to each other. This leads to a strong team dynamic and a successful path towards development for all players. LHA balances the desire for individual flexibility while keeping the collective needs of all players, coaches and teams in mind.

The following provisions govern dual rostering within LHA:

Littleton Hawks Tier II Players

- LHA Tier II players may only be committed to one CAHA Member Association and one high school team at a time.
- LHA Tier II players are authorized to dual roster on one LHA National Tournament Bound (“NTB”) team AND one high school NTB team at the same time. This authorizes all LHA Tier II players to dual roster with one Colorado High School Activities Association (“CHSAA”) high school team. LHA Tier II players are able to participate in playoffs and USAH Nationals with both teams.
 - Colorado Prep Hockey League (“CPHL”) teams are classified as Rec Teams, not high school teams. As such, a Youth Tier II player is NOT authorized to dual roster on an LHA NTB team and a CPHL team at the same time.
 - High Plains Hockey League (“HPHL”) teams are classified as high school teams.

- LHA Tier II players are authorized by CAHA to dual roster with one LHA NTB team and one non-LHA non-NTB team at the same time. However, the non-NTB team cannot be a team that is governed by another CAHA Member Association. Accordingly, such authorization is limited to out-of-state non-NTB teams such as tournament teams. Although CAHA expressly authorizes such dual rostering, LHA generally discourages its Tier II players from doing so, due to the difficulties that such dual rostering can cause to the player's LHA NTB team. In the event a player decides to dual roster, the expectation is that the player will prioritize his or her LHA NTB team commitments over those of the non-NTB team. Failure to do so may result in adverse but non-disciplinary consequences on the player at the discretion of the LHA NTB team head coach, such a loss of playing time or placement on a different line.
- Dual rostering by LHA Tier II players is not authorized in other circumstances.

Colorado 14ers Tier II Players

- Colorado 14ers Tier II players may only be committed to one CAHA Member Association and one high school team at a time.
- Colorado 14ers Tier II players are authorized to dual roster on one Colorado 14ers National Tournament Bound ("NTB") team AND one high school NTB team at the same time. This authorizes all Colorado 14ers Tier II players to dual roster with one Colorado High School Activities Association ("CHSAA") high school team. Colorado 14ers Tier II players are able to participate in playoffs and USAH Nationals with both teams.
- Colorado 14ers Tier II players are authorized to dual roster on one Colorado 14ers NTB team AND one LHA NTB team at the same time. However, they are only allowed to participate in playoffs and USAH Nationals with one team. Players must declare which team they will advance through playoffs with by December 31. Players may continue to practice with the other team until the start of CAHA State Playoffs.
- Colorado 14ers Tier II players are authorized to dual roster on one Colorado 14ers NTB team AND one LHA non-NTB team at the same time, subject to approval of both the LHA Hockey Director and the Colorado 14ers Director.
- Colorado 14ers Tier II players are authorized by CAHA to dual roster with one Colorado 14ers NTB team and one non-LHA non-NTB team at the same time. However, the non-NTB team cannot be a team that is governed by another CAHA Member Association. Accordingly, such authorization is limited to out-of-state non-NTB teams such as tournament teams. Although CAHA expressly authorizes such dual rostering, LHA generally discourages its Tier II players from doing so, due to the difficulties that such dual rostering can cause to the player's Colorado 14ers NTB team. In the event a player decides to dual roster, the expectation is that the player will prioritize her Colorado 14ers NTB team commitments over those of the non-NTB team. Failure to do so may result in adverse but non-disciplinary consequences on the player at the discretion of the Colorado 14ers NTB team head coach, such a loss of playing time or placement on a different line.
- Dual rostering by Colorado 14ers Tier II players is not authorized in other circumstances.

Other Littleton Hawks and Colorado 14ers Players

- All other (non-Tier II) Littleton Hawks and Colorado 14ers players may only be committed to one CAHA Member Association and one high school team at a time.
- All other Littleton Hawks and Colorado 14ers players are authorized to dual roster on one LHA team AND one high school NTB team at the same time. This authorizes all Littleton Hawks and Colorado 14ers players to dual roster with one Colorado High School Activities Association (“CHSAA”) high school team.
- All other Colorado 14ers players are authorized to dual roster on one Colorado 14ers non-NTB team AND one LHA non-NTB team at the same time, subject to approval of both the LHA Hockey Director and the Colorado 14ers Director.
- Dual rostering by other Littleton Hawks or Colorado 14ers players is not authorized in other circumstances.

Notification Requirements

Any player who desires to dual roster must provide written notification as soon as possible to the LHA Hockey Director or the Colorado 14ers Director, as appropriate. To the greatest extent possible, such written notification must be provided BEFORE the player registers with or commits to the non-LHA team.

Please contact the LHA Hockey Director or the Colorado 14ers Director, as appropriate, with any questions regarding this Dual Rostering Policy.

Violations

If it is determined that an LHA player has dual rostered in a manner that violates this Dual Rostering Policy, or if it is determined that the required notification has not been provided, such player shall be immediately removed from all LHA team rosters and all funds will be forfeited to LHA, subject to applicable refund policy provisions. Players will still be responsible for payment of the entire balance of registration fees and team fees to LHA, subject to applicable refund policy provisions.

Acknowledgment

By registering online and/or by signing below, I certify that I have read and understand this Dual Rostering Policy, and that I agree to abide by all procedures and policies set forth by LHA.
