

Boys WEHL All-Star Teams: 14U & 16U

Overview

To provide more fall opportunities and enhance player development, we are introducing an All-Star team at the 14U and 16U levels. This initiative incentivizes participation in WEHL while offering top players additional high-level competition through our partnership with Team Wisconsin. One WEHL All-Star team will be formed at both the 14U and 16U levels.

Tryout Process

- To qualify for the All-Star tryout, players must first attend their regional WEHL tryout and be rostered on a WEHL team.
- From there, 4-6 top skaters and one goalie per region will be invited to an additional low-cost, single-day tryout in Stevens Point.
- Players will be divided into two teams and participate in two scrimmages.
- Team Wisconsin representatives will be heavily involved with WEHL in the selection process for the final All-Star team rosters.
- Players chosen for the Team Wisconsin Final Camp and not receiving a TW roster spot will be automatics for the All Star Team tryout if they attend their regional WEHL tryout.

Season Schedule

- Each All-Star team will participate in two showcase/tournament weekends.
