 - b. Coaching 101 Will be Jan 14th for all our coaches to attend. The high schools to help guide this. Boys 4-5 PM and Girls 5-6 PM. Add a question if they are willing to coach Head Assistant or Team Manager.
- V. Girls spring league do they have practices. What is the cost? 12U & 14U girls are full field. Will need 16-18 players to have a team. How does C3 handle spring players and non spring players for practices. MSLax is having a call about the spring season. Penny brought up that the coaching might be hard to find for the spring. We will pause on spring girls for now.
- VI. The development league do they get to play in-house. This will be its own registration. Do they get to play in-house games. We should look at the numbers from last year to see what it would be like. Do we have them tryout and they do not make it at the B level they play in the in-house option. We would have A & B or In-House. Do we have an option that if coaches see a player that is 1st year player that is good enough to try out for A & B. Need to find a good person to run this program.
- VII. Tryouts we might need to have more times. Goalies would not be assigned a team A or B until after the HS season is done.
- VIII. Open Registration. Nov 1st open registration. Keep the registration open until 2nd week in Jan 8th.
- IX. Amy is working on a team store to open end of Oct for holiday apparel.
