Then after the HS season is over, they will fill in the last 6 players from the HS players. The 14A players not playing HS will practice with 14UB but they will not play in the Wayzata tournament. Matt A said next year we should get either ½ or full field for 12U & 14U. Penny and Adam D said the girls' evals are going well. Eric talked about the skill level at the 10U level. He said the 10UB team will have a good season. Edina is talking about doing the same A/B split at 10U like we are. Matt A brought up that the earlier start of practices has helped get ready. Penny asked if handling 14UA teams forming between boys and girls. We did not think it was a problem doing it differently. Penny and Eric will let the players know the team placement. Then will send me the rosters to post on SE.
