## **ARROWHEAD NEWS**

"Holding Funds for Arrowhead League..." - a hypothetical situation where Arrowhead League will be voting on this.

It was proposed that Thunder Fastpitch hold these funds - when a game is changed or canceled and the team responsible doesn't communicate. If this happens it poses hardship for the opponent who travels etc to find out their game has changed locations or has been canceled. This league enforced penalty fee will be assessed for the team in error and potentially housed in GR at Thunder Fastpitch.

Boyd (of Arrowhead) would likely collect the funds, we will hold the money.

The money collected could eventually be used for clinics etc. put on my Arrowhead.

## **UNIFORMS**

## **CONCESSIONS**

Motion to get Heidi Erickson a debit card for the concessions account; she will need to be added as an authorized signer to the account to get a card. Motion made by Heidi C, seconded by Kate, motion carried.
