IMPORTANT REMINDER - We need to uphold our bi-laws and the decision made by our organization regarding **board membership and participation**. If a board member is unable to attend on a regular basis and also serve in some capacity, it is in the best interest of the organization and the players/ families we serve that you resign after 3 consecutive meeting absences. While we respect that we are all busy, it is important that we try to attend and participate consistently. Please review the meeting minutes if you are unsure of your attendance.

Thank you everyone for your dedication, understanding and cooperation.
