KENOSHA KOMETS ALUMNI GAME

All proceeds to benefit the
Birdie Leitza Hockey Grant

Friday, December 19, 2025

5:00 p.m. – 9:00 p.m.

Come join us in celebrating our 56th year with a fun evening of reminiscing on the ice with old friends! Registration for the Alumni Game is open to any Alumni skater or goalie with birth years 2006 and earlier ... as well as friends who want to support this event by participating in the game!

All proceeds for Alumni Game directly support our Birdie Leitza Scholarship Fund. This fund allows the Komets to make our vision of giving back to our kids a reality in the form of a scholarship for the upcoming fall season! There will be one scholarship awarded at each level within the Komets Organization. Award recipients will be chosen from a pool of applications where each applicant will submit a written essay. The recipients will be announced at our annual Welcome Back to Hockey Event in September.

Fees
