STANDINGS

Tournament Standings will be compiled by the tournament director and staff and posted at the rink. Teams will be ranked by the total number of points obtained. In the event of a tie, final standings will be determined by the following criteria:

- Head-to-Head competition: With 3 or more teams tied, all teams must have played each other and there must be an obvious winner. If not we skip head-to-head and go to most wins.
- Most Wins
- Goal Differential (5 goal maximum differential for a single game) involving only the tied teams if all teams played one another
- Goal Differential (5 Goal maximum differential for a single game) in all games
- Fewest Goals against in games involving only the tied teams
- Fewest Goals against in all games
- Fewest Penalties
- Coin toss

TIE BREAKERS

In case of a tied game, the tie breaking procedure will be that each team will receive one point for a round robin game that is tied at the end of regulation play.

CHAMPIONSHIP GAME TIE BREAKERS

If a Championship Game ends in a tie the following tie-breaking procedure will be followed:

- 5 minute sudden death overtime period (4 on 4 plus goalies)
- Shoot out (5 players/team- each player may only shoot once)- most goals wins
- If a shootout ends in a tie, a sudden death shootout until a winner is decided (each team must continue through their roster until all players have taken a shot. If the shoot-out is not decided, players will continue to shoot in the same order as their first shots.)
