2026 - 2027 Club Sponsorship Program

On behalf of the Kenosha Komets Blue Line Hockey Club, we would like to extend an invitation to become a sponsor of our Youth Hockey Teams. The Kenosha Komets is a community based non-profit organization partnered with USA Hockey, the national governing body, whose mission is to provide exceptional training and skill development in the game of hockey.

Who are the Kenosha Komets?

We are a youth ice hockey organization who have provided quality youth hockey programs in our community since 1969. We pride ourselves on our 57-year history! We are the only Kenosha County based hockey organization in Wisconsin. The Kenosha Komets are members of USA Hockey, Wisconsin Amateur Hockey Association (WAHA), Central States Development Hockey League (CSDHL), and the Northwest Hockey League (NWHL). We are a non-profit, volunteer run organization, meaning our #1 priority is the kids we serve and the great game of hockey. Our coaching staff consists of certified coaches who are registered with USA Hockey, have been thoroughly background screened, and have years of hockey experience. We have won 59 WAHA State Championships, 5 NIHL State Championships, and numerous additional tournament championships throughout the Midwest! We have a great group of parent volunteers who are truly committed to the success of our kids. We motivate our players for excellence both on the ice and in the classroom. 75% of our players are on the honor roll with their school!

This season the Komets will be offering an opportunity for players in our organization to be able to play in several tournaments on our home ice! This will give them the opportunity to play against competitive teams from surrounding areas and states. Our plan is to host several K2 Invitational Tournaments and Jamborees for 6U through 18U levels at our home rink, Kenosha Ice Arena, throughout the season. We will be hosting 5 - 10 teams in addition to our Komets team for each tournament. These tournaments are in addition to the average 30 regular season games each team will participate in. And we are incredibly proud to announce we will once again be the hosts for the WAHA 18U State Championship! By partnering with the Kenosha Komets you will be reaching diverse audiences from across multiple states!

The most important steps in the planning process for a successful season or tournament is building local and corporate partnerships with community businesses and organizations. Sponsorships help us offset the costs associated with the season's events, the continued development of our program, as well as ensure all our hockey families can participate in the great sport of hockey by keeping the fees as low as possible.

2026 - 2027 Club Sponsorship Program

We are looking for partners who are willing to support in helping us cover our biggest expenses including ice time, equipment, and jersey purchases. Your sponsorship dollars help the Komets expand the opportunities for youth athletes in our community.

Becoming a partner with the Kenosha Komets provides a unique sponsorship opportunity for our community's businesses and organizations. We will do everything in our power to maximize your business' exposure and partner your company with a diverse, family target audience.

If sponsorship of the Kenosha Komets is an option for you and your company, please take some time to review the sponsorship opportunities enclosed with this letter. We are confident that you will find a level of sponsorship that will be comfortable for your company as well as beneficial to our organization and our community youth participants and their families.

If you require any additional information, please contact our Board President at president@kensohakomets.com and we will be happy to answer any questions you may have and/or tailor a sponsorship plan that will meet your needs.

Sincerely,

Kenosha Komets Board of Directors
