KOMETS COMPETE FOR THE CHAMPIONSHIP!

This past weekend, our Bantam B and Girls teams competed to become WAHA State Champions. Our Bantam B team played hard and came out taking 6th place at the WAHA 14U2B State Championship in De Pere, WI. We were very excited that we were selected to host the Girls 14UB State Championship game this season. Our girls battled until the very end when they wound up with a heartbreaking overtime loss. We are SO proud of all our Bantam and Girls skaters for trying their best at state this year!

Best of luck to our Komets Squirt A team as they head into the WAHA 10U2A State Championship March 1-2 in River Falls, WI and our Midget Majors heading into the WAHA 18U State Championship March 15-16 in Hudson, WI

CONGRATS
JR KOMETS!

Huge congrats to our Junior Komets this season! Our Mite A and B teams both competed in the CUHL playoffs last weekend. Our Mite A team ended playoffs with one win and two losses coming within just one goal each game. Our Mite B team won their play in game to advance to playoffs, and battled hard through all three playoff games. We are very proud of all our 8U skaters!

JR KOMETS MOVE TO CROSS ICE

The Kenosha Komets primary goal is to ensure our players are provided with the best coaching and opportunities to grow into stronger players. Cross-ice hockey is not just a fun way to play—it's the best way for young players to develop the skills they need to succeed at higher levels. With more puck touches, faster decision-making, better player engagement, and a stronger focus on individual skills, cross-ice hockey gives our players the tools they need to thrive in the future while keeping them excited and involved in the game.

We are very excited to make the move to cross ice for our 6U and 8U players beginning this spring.

ADDITIONAL REMINDERS

THANK
YOU!

Huge thank you to all the volunteers that spent the last two weekends at the rink to help with NIHL Playoffs and the Girls WAHA State Championship. We could not host events like this without our kind, dedicated, and thoughtful volunteers.

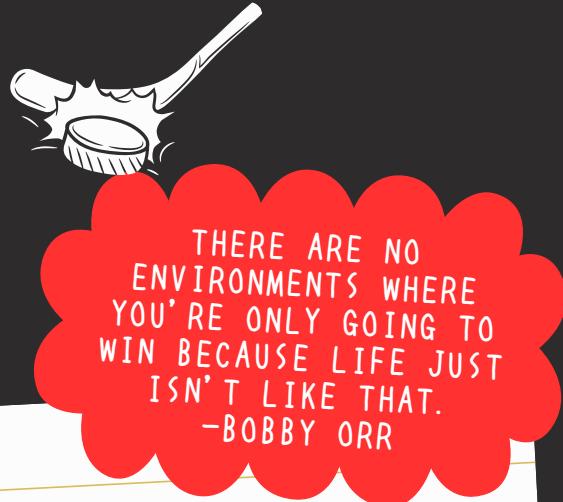

Thank you, thank you, thank you!

WIN A KOMETS EQUIPMENT BAG!

Earn a chance to win with your volunteer hours!
Volunteers will receive one raffle ticket for each volunteer hour worked for Komets special events. Special events include the following: Alumni Game, State Tournaments, WAHA Playdowns, NIHL Tournaments, Open Skate parties, and our end of the season banquet.

All tickets will be entered into your player's age specific raffle bucket. If you have more than one child playing for the Komets, you can choose which age group to enter your raffle ticket(s). We will draw one winner from each age level at the end of the season banquet, and those winners will be awarded a Komets Hockey equipment bag. MENTOR ICE!

WEDNESDAY: 2/26/25

Our last Mentor Ice session of the 2024-2025 season will take place this week. While many of our teams are done for the season already, we would love to see as many skaters as possible participate. Mentor Ice this season has proven to be one of our most popular programs by mentors and mentees alike. None of this would have been possible without Coach Kyle Flood's leadership and dedication to make sure all of our participants each week practiced new skills, met other Komets players, and had fun! We will miss you next season, Coach Kyle! Best of luck in Texas.
