# MENTOR ICE CHANGES!

We are heading into our 5th week of Mentor Ice, and we are so excited with how much our participation has grown this month! Mentor Ice takes place every Wednesday from 6:30pm-7:30pm.

In an effort to ensure that mentor ice is beneficial for all skaters involved, we are making some changes to our current schedule. Please be advised that effective immediately, Mentor Ice will be open to Mites and Squirts on the 1st and 3rd Wednesdays of the month. This format will focus not only on working with our younger skaters, but also on allowing our older skaters to try their hand at learning coaching techniques. **Thank you to Coach Kyle Flood** for volunteering his time to make Mentor Ice fun for our Mites and Squirts and educational for our Bantams and Midgets. PeeWees are invited to join Mentor Ice on the 2nd and 4th Wednesdays of the month. This will allow our PeeWee players an opportunity to work with our Bantams and Midgets to focus on areas they feel would be most beneficial.

Attendance each week is not mandatory but if you are able to use the attached link to register your skater, both mentors and mentees, each week, it will help us plan a bit better. Thank you!
