

Dear Potential PGSL 2026 Sponsor:

PGSL’s mission is to provide an opportunity for girls ages 4-18 to play softball in a positive, fair, instructional and safety-oriented environment with emphasis on the development of qualities such as leadership, teamwork, sportsmanship, citizenship, and friendship with mindful adherence to the Code of Ethics of USA Softball.

**New Year / Season!!!** This spring season, we will have 120+ players across 12 teams ranging in age from 4 to 14 with all stars playing summer tournaments against peer cities in the greater Bay Area. We’re very excited for the season!!!

**New Programming!!!** Last fall, we kicked off our Sirens “Comp Team” program, which provides players ages 12+ a venue to play local year-round competitive tournament ball at a reasonable price (\$600 per season vs \$1,500+ elsewhere). We are excited to support our most committed softball player’s passion closer to home and give the younger players something to strive for. These players will have a tremendous opportunity to develop the skills and understanding of the game needed to compete at the high school level. And they will also inspire all our softballers that are coming up behind them.

**New Gear!!!** PGSL purchased a John Deere Gator and a professional infield groomer, which allows us to have better prepared and safe infields for our softballers. We also invested in the installation of a temporary outfield fence to give our players more professional experience.

**We Support Pacifica School District!!!** Our relationship with Pacifica School District is strong, and we remain committed to maintaining the Cabrillo School fields in excellent condition for softballers and students alike. This includes mowing, seeding, hole filling, professional gopher abatement (\$4K per year), and total infield maintenance. While we do not have a formal arrangement with Ingrid B. Lacy field maintenance, we got approval to install a shed, locate a tractor / drag equipment there, keep it the infield top-top shape for the school and our softball teams practicing there.

**We Appreciate Our Sponsors!!!** We could not accomplish all of this without the support of our wonderful sponsors (see next for 2025 sponsors). We appreciate your consideration of being a 2026 PGSL sponsor! See options below:
