Meeting Minutes Submitted by :  
Sammie Wojcik

Closed Session With council was started at 7:47pm On Feb 4th 2026

Cristy ran over the back story on complaints to and from Ian Moore.  
After talking with the club two options where given

- 1) We suspend him for the photo for 30 days
- 2) We move into termination of his playing hockey for Mosinee Hockey

It was stated that we would get a letter written to suspend Ian Moore from our program, but not try and take his USA Hockey Number. After looking at the timeline of the end of the season and the processes and procedures, we would not be able to successfully suspend him before the state tournament.
