An email will go out on SE with concession expectations, also plan to meet with coaches and level coordinators so they can let families know.
2. **President Updates:** Working on finalizing draft dates for each team. Coaches will be doing safe sport training. Quad Cities should have schedules out beginning of May.
3. **Community Education:** Still working to spend down money. Looking at costs of equipment and porta potty rental to spend down the balance.
4. **Level Updates:** Hats were ordered. Picked colors for team jerseys since an additional one was needed at the rookies level. Jerseys should be on track to be ordered and delivered before the season starts. We may be looking to add some open gym times if the bad weather persists.
