1. **Treasurer Updates:** We raised almost \$10,000.00 on Kwik Trip Cards. We will plan to use this money for field updates.
2. **President Updates:** Proposed new Quad Cities Changes for all levels. AAA level may be added for 11U - 13U levels. We will have to bring our vote to next quad cities meeting.
3. **Level Updates:**
 - Intermediate - Discussion of adding a AAA level for league play. Decided A level was not a good fit for our teams. You can have all your teams at different levels. Jared and Rob will discuss with neighboring organizations as to what they are planning.
 - Majors - Discussion of AAA level. This may be a big jump coming from A. Group feels we may benefit from even teams at the AA level. Jared Motions not to accept Quad Cities proposal for adding AAA level and Amy Seconds. All in Favor and our vote will be brought back to quad cities meeting.
 - Rookies - no updates will discuss at year end meeting.
 - Developmental - no updates will discuss at year end meeting.
 - Fun League - no updates will discuss at year end meeting.
