

2025 – 2026 Rock Ridge Youth Hockey Association Required Volunteer Program Information

Rock Ridge Youth Hockey Association (RRYHA) requires each family to contribute to our program through required volunteer hours. Requiring all of our families to participate in volunteer work helps our program run smooth and keeps hockey affordable in our community. Running a successful hockey association is a tremendous amount of work, our required volunteer program helps us share this workload across the organization.

Please read our volunteer program information carefully, it does change from year to year as our association grows and our needs change.

This season our volunteer program will have two components:

1. **Tournament/Concession/Other volunteering for events the association is hosting or participating in:** These hours will be posted on the association website to be claimed in advance of games, tournaments and events. Failure to complete your assigned number of volunteer hours will result in your family being invoiced at the end of season in the amount of \$500 per child up to \$1000 for multiple children.
2. **Regular season volunteering in the non-tournament games your child(ren) are participating:** **This is a requirement.** Failure to work your share of your child(ren)s regular season games will result in a \$150 fine assessed at the end of the season. Team Managers will be responsible for the scheduling/management of these required games.

Component #1: Tournament, Concession, Post-Season & Other Volunteer Hours:

Some hours will be events that are not directly hockey related and/or not hosted by RRYHA, we ask for volunteers because RRYHA is benefitting from these events such as Wilderness games, BINGO, etc.
- *What do I do if I realize I cannot or will not complete my volunteer hours during the season?* If you are unable to complete your required hours you will need to contact the RRYHA Volunteer Coordinator so that it can be discussed with the board to identify other volunteer opportunities.
