Good standing includes both financial and conduct obligations and discipline. Any financial obligation, suspension or discipline which extends beyond the current season will be applied to all MH affiliates until the party is in good standing. In cases of multiple players from a single family [parent(s) or court-appointed legal guardian(s)], all players must be in good standing to be registered, rostered or transferred,

**BOARD OF DIRECTORS:** Any person elected as a director or officer shall be a member of this corporation with such powers and duties as are established in the Articles and By-Laws.

## ARTICLE 5 - REGISTRATION

Affiliate members whose team(s) intend to participate with any other MH or USAH team(s) must register all of their players and coaches and all of their teams in accordance with the rules and regulations of their respective playing division, and list all of their players and coaches on an official USAH Roster.
- B. Except for existing teams and programs in place at the end of the 2018-19 Season, no Association may form a Team registered by the Association for reasons other than age (Classification), skill (Division) or gender (Youth, Girls). All Players who are otherwise eligible for a Team shall be allowed to register and tryout for the team(s). This rule shall not apply to mite, U8, or mini-mite teams which may be formed on a geographic or school attendance basis.
- C. Male and female players shall be allowed to participate or try out for all Youth and Adult teams while only female players are allowed to participate or try out for Girls and Women's teams.

- E. Out of state and Canadian teams playing in leagues under the jurisdiction of MH shall comply with all regulations of this Article of these By-Laws.
- F. MH registered teams shall not participate with teams that are not registered with USAH or that have been outlawed by MH or USAH (see By-Laws entitled "CHA Relations" and "International Competition"). Where limited competition is available, Junior Gold and 19 & Under teams may play HS Varsity or JV teams with the permission of their MH District Director and the USAH Minnesota District Registrar in that order. Additionally, 15U and 16U teams may play HS JV teams under the approval provisions above, with the condition that if the association involved has multiple teams in either the 15 & Under or 16 & Under divisions, only the highest level team in that division will be considered. Failure to obtain proper permission to play a non-registered team may result in sanctions, including being ineligible to play in MH playoff tournaments.
- G. MH teams must have permission from their district director to compete in invitational tournaments held outside of MN. To compete in USAH National Tournaments, teams must be certified by MH and the USAH Minnesota District Registrar. Teams not receiving permission may be subject to suspension.

## ARTICLE 6 - AUTHORITY - APPEALS - SUSPENSIONS - COURT ACTIONS

- A. **Authority - Disciplinary Actions - Suspensions:**
  1. Minnesota Hockey and its Directors, leagues and affiliates have the authority to manage their programs and issue discipline to any party within their jurisdiction. This includes suspension, probation, censure, financial penalty, right to refuse membership, or other forms of discipline.
  2. In cases where such discipline leads to a suspension of the party, a Hearing as outlined in this Article is required. Except as modified in this Article, the hearing shall be governed by USA Hockey Bylaw 10.
  3. Exclusions: Hearings are not required for automatic playing rule suspensions, suspensions of officials per MHOA Bylaws, or situations outlined in USAH Bylaw 10 "Exclusions From Unified Procedure".
  4. Any Summary Suspension (suspension upon receipt of allegations and prior to a full hearing) must be approved by the MH SafeSport Coordinator.
- B. **Right to Refuse Membership:** Associations have the right to refuse membership into its Association to a party who: (a) either themselves or their family members have in the past violated the Rules of MH or the affiliate of refusing membership which justifies such refusal; and (b) there are equivalent programs offered within MH in which the party can participate.
  1. In cases where an Association refuses registration to a party, a Hearing as outlined in this Article is required. Except as modified in this Article, the hearing shall be governed by USA Hockey Bylaw 10.
  2. The Association refusing registration of any member must agree to a Discretionary Waiver if the player is accepted for registration with another association.
- C. **Administrative Action:** An action or decision by an Authority having jurisdiction that affects any party's membership or their eligibility to participate.
- D. **Disputes:** Authorities having jurisdiction are required to provide for prompt and equitable resolution of disputes (grievances), including notice and opportunity for a Hearing if applicable.

1. A party contesting an Administrative Action shall be afforded a Hearing.
2. An Authority conducting a Hearing pursuant to this section shall first investigate the circumstances leading to the Hearing to determine if the situation can be resolved short of a Hearing. If resolution cannot be achieved, the Authority shall conduct the Hearing pursuant to the requirements of this Article. The investigation required by this section shall not delay the timing of the Hearing as required herein.
- E. **Hearings:** USA Hockey has developed a unified process on how to conduct Hearings (USAH Bylaw 10). The local authority having jurisdiction (local association, league or District) that conducts the Hearing must closely follow this process to resolve disputes.
  1. The local authority having jurisdiction must hear disputes within thirty (30) days, provide a minimum of seven days' notice of the Hearing date and location, and make reasonable efforts to convene the hearing in a location accessible to all parties. The Hearing Notice must include the process and rules that will be used to conduct the Hearing. In suspension/discipline cases, the grounds for the proposed suspension/ discipline, the consequences of an adverse finding, and issues to be resolved by the Hearing panel should be included in the notice.
  2. The Hearing Panel shall consist of a minimum of three (3) reasonably impartial persons.
  3. The panel may in its discretion hold a formal or informal Hearing, in person or by telecom; hear any evidence it feels is relevant; place limitations on time, evidence and documentation; allow witnesses or written statements; and establish other hearing rules. Each party shall be treated equally, and shall have reasonable opportunity to present their case, in accordance with the established rules.
    - a. Video and/or Audio evidence shall be allowed to be submitted as evidence in proceedings of Minnesota Hockey Article 6. Any person offering video or audio evidence shall establish proper foundation for the authenticity and chain of custody of such evidence. Either the hearing panel or any other party may inquire into the foundation and reliability of such evidence. The hearing panel in arriving at a decision may give whatever credibility they believe is appropriate to such evidence.
  4. Parties may be represented by counsel, but the counsel's role in the Hearing is limited to listening only. Counsel may advise the parties quietly during the hearing or during a recess in the Hearing.
  5. Findings must be supported by a preponderance of the evidence (more likely true than not true) that an applicable rule has been violated. The decision logic must be included in the written findings. The Panel must endeavor to render its decision within (5) days of the Hearing and mail a written decision within (15) days of the Hearing. The decision must include the parties' right(s) of appeal. Decisions can affect only parties that were part of the Hearing (cannot be expanded to discipline a party that was not a subject of the Hearing).
- F. **Appeals:** Any member, team, league or local association who has a standing in the matter may appeal a disciplinary action or administrative action, in writing, to the District Director for a period of ten (10) calendar days, after a decision was rendered or a Hearing refused within its own league or association. Such appeal must state that it is an appeal, and provide the rationale, citing the applicable rule or regulation, as to why the disciplinary suspension or administrative action should be overturned or modified. In all appeals, the appealing party is required to establish the merits of the appeal. The District Director shall make a written determination within fourteen (14) calendar days of receipt of a valid appeal. The decision of the District Director may be appealed for a period of ten (10) calendar days to the MH Grievance Committee ("Committee") Chairperson; the Committee must make a written determination within fourteen (14) calendar days of receipt of a written appeal and receipt of a \$500 Filing Fee, refundable if the Committee rules in the appealing party's favor. The decision of the Grievance Committee shall be final except as noted in the paragraph hereinafter titled "USAH Appeal". Exception: Suspensions under USAH Bylaw 10 (3)(d) Assault of Game Official are appealed directly to the MH Grievance Committee.
- G. **Appeal Process:**
  1. The District Director and Grievance Committee may make their determination by holding personal meetings, or communicating through the mail, e-mail or conference call(s).
  2. The "Hearing" format is not typically used for appeals, since the intent is to review the appropriateness of the initial decision, not to provide another forum in which to present the same arguments or evidence. Appeals are generally handled solely on written submissions, and the appealing parties should be notified that no personal appearances can be made.
  3. The appealing party must provide a basis for the appeal by referring to the relevant rules and/or regulations and describing why the previous decisions made were flawed or incorrect. These elements are essential when considering the basis for appeal. Appeal Requests lacking this information may be rejected for cause.
  4. Only the evidence and theories explicitly presented to the initial decision-making body for consideration prior to rendering of its decision shall be presented or considered for appeal. In the event new evidence is discovered, it must be identified as such and included in the Appeal Request. If it is determined by the entity considering the appeal that the new evidence would have likely affected the initial decision, the matter will be referred back to the initial hearing body.
  5. If the entity considering the appeal uses a Hearing format to assist in making its determination, the process in the paragraph titled "Hearings" hereinbefore will be used.
  6. The standard of review on an appeal shall be an abuse of discretion by the initial hearing body.  
\* (e.g. – did the initial hearing body abuse their discretion?)
- H. **MH Board Appeal:** Decisions by MH Committees other than the Grievance Committee may be

appealed to the MH Board of Directors by providing written notice within fourteen (14) calendar days of a written decision. The appealing party must provide the rationale as to why the disciplinary suspension or administrative action should be overturned or modified.

- I. **USAH Appeal:** Grievance Committee or Board of Directors decisions may be appealed to USAH following the provisions of USAH Bylaw 10 - Dispute Resolution, Discipline, Arbitration.
- J. **Exclusive Remedy:** All Claims, demands, discipline or disputes as defined above shall be subject to the provisions of this Article, and this Article shall constitute the sole and exclusive remedy for dispute resolution. Any recourse to the courts of any jurisdiction by any member or individual shall be deemed conduct detrimental to the best interests of hockey and a violation of the MH and USAH Articles and By-Laws. This violation may result in suspension of membership and/or expulsion from the organization pursuant to the provisions of this Article.

  - ii. Once the proposal is on the floor, the language may be amended by a 2/3 majority vote of those voting on the amendment.
4. Final adoption or amendment of Governing Documents requires at least a 2/3 majority vote of those voting. Provided, however, that the 2/3 majority vote must consist of a majority of all Board members entitled to vote whether or not present at the meeting.
5. Unless specifically stated otherwise, changes to Governing Documents approved during a season become effective September 1 of the upcoming season.
6. Care is taken to ensure that the Handbook is accurate and in agreement with the various content owners' direction. In the event that errors are made or changes are needed to material printed in the Handbook, excluding Governing Documents, corrections or modifications can be made by the group closest to the issue. Such changes would typically be determined at the Committee or Vice President level, and submitted to the President for concurrence (Board approval not required).

## **ARTICLE 12 - INTERNATIONAL COMPETITION**

US Teams desiring to travel to and play international matches must receive approval as required by USAH. MH approval will be given if the requesting team is properly registered and the Affiliate member, whose team submits the request, is in good standing.

## **ARTICLE 13 - ANTI-DISCRIMINATION POLICY**

It is the policy of MH to provide an equal opportunity to all amateur athletes, coaches and officials to participate in competition without discrimination on the basis of race, color, religion, gender, sexual orientation, disability or national origin. MH will take all the necessary steps to comply with this policy.

## **ARTICLE 14 - SEXUAL AND PHYSICAL AND EMOTIONAL ABUSE POLICY**

The policies in this article are subject to any contrary requirements in Minnesota State law or local law applicable to MH Affiliates.

**SAFESPORT POLICY** – MH has instituted the SafeSport Policy created by USAH in conjunction with the United States Olympic Committee, as addressed in the USAH SafeSport Policy and Handbook. MH is committed to creating a safe and positive environment for its participants' physical, emotional, and social development and ensuring it promotes an environment free from abuse and misconduct. As a part of this program MH has implemented policies addressing certain types of abuse and misconduct, and certain policies intended to reduce, monitor and govern the areas where potential abuse and misconduct might occur.

**SEXUAL ABUSE POLICY** - It is the policy of MH that there shall be no sexual abuse of any minor participant involved in MH sanctioned programs, Training Camps, Hockey Clinics, Coaches Clinics, Referee Clinics, Invitational, Playoff Tournaments or other MH events by an employee, volunteer or independent contractor. Sexual abuse of a minor participant occurs when an employee, volunteer or independent contractor touches a minor participant for the purpose of causing the sexual arousal or gratification of either the minor participant or the employee, volunteer or independent contractor. Sexual abuse of a minor participant also occurs when a minor player touches an employee, volunteer or independent contractor for the sexual arousal or sexual gratification of either the minor participant or the employee, volunteer or independent contractor, if the touching occurs at the request or with the consent of the employee, volunteer or independent contractor. Neither consent of the player to the sexual contact, mistake as to the participant's age, nor the fact that the sexual contact did not take place at a hockey function are defenses to a complaint of sexual abuse.

Upon proof of violation of this policy, the violator will be permanently banned or suspended from MH sanctioned programs and/or the programs of its Affiliate Associations.

Complaints concerning violations of the provisions of this policy shall be in writing addressed to the MH SafeSport Coordinator, and although preferably signed by the complainant, may be submitted anonymously. The complaint shall state in full and complete detail the basis of the complaint concerning the alleged violations. Upon receipt of such written complaint, the SafeSport Coordinator shall review the complaint and determine who will conduct the ensuing investigation of the allegations pursuant to the USAH SafeSport Policy Handbook. As a mandatory reporter, all credible complaints of sexual, emotional and/or physical abuse shall be referred to the appropriate law enforcement officials by the SafeSport Coordinator. The SafeSport Coordinator may initiate administrative action involving the member against whom the complaint was made pursuant to applicable sections of the By-laws and Rules of MH and USAH.

**SCREENING POLICY** - MH requires all its volunteers and employees to comply with the provisions of USAH's SafeSport Handbook.

## **ARTICLE 15 - USA HOCKEY MINNESOTA DISTRICT OPERATIONS**

1. The Minnesota District shall be governed by the MH Board of Directors.
2. It is MH's intent that its president be a USAH Director and serve as an ambassador for MH at the national level. Accordingly, MH shall nominate its president as a candidate for USAH Minnesota District Director.
3. Elections for the USAH Minnesota District positions shall normally occur at the Spring meeting.
4. The number of USAH Minnesota District Directors is determined by USAH rules. The votes will be

cast by representatives of the affiliate, as determined by the affiliate. The USAH Minnesota District Registrar will determine the number of votes that each designated representative will cast. Directors will be elected to a three year term. A vacancy can be filled at either the fall or spring meeting or at a special meeting called for that purpose. In the event that two or more Directors are being elected, there shall be one election in which each voting member casts vote(s) based on the number of Directors being elected (i.e. two Director openings; three candidates; vote for two) with the successful candidates being those receiving the most votes and at least a simple majority of the votes cast. The number of votes cast for any one individual can-not exceed the number of votes as determined by the USAH Minnesota District Registrar. In the event of a dispute, a committee consisting of the USAH Minnesota Directors in attendance not standing for re-election shall make a determination. In a situation where multiple positions are being elected and not all of the positions are filled on the first ballot, any candidate receiving a simple majority is elected and a subsequent election shall take place among the remaining candidates. If none of the candidates have a simple majority, the candidate receiving the least votes shall be dropped and the position re-voted. If more than one new director is being elected, seniority will be ordered by the number of votes with the one elected first or receiving the most votes being the most senior director, etc. The term of office for newly elected Director(s) shall begin following the completion of the next or upcoming USAH Annual Congress.

USAH Minnesota District Positions	(Updated June 2023)	Election To Be Held
Minnesota District Director (by seniority)	Jeremy Reed	April/May 2025
Minnesota District Director (by seniority)	Kevin Suoja	April/May 2025
Minnesota District Director (by seniority)	Doug Kephart	April/May 2024
Minnesota District Director (by seniority)	Steve Gapinski	April/May 2024
Disabled Section Representative	Antonia Gillen	April/May 2025
Girls' and Women's Section Representative	Doug Foster	April/May 2024

8. Individuals serving in the above positions must have their principal place of residence within the Minnesota District. If any of these individuals becomes ineligible to serve because of a change of residence, an election to replace that position will be held at the next Minnesota Hockey Meeting.

## **ARTICLE 16 - INDEMNIFICATION AND EXCULPATION**

**Indemnification:** MH shall indemnify each person who is or was a director, officer or employee of MH, or a volunteer acting on behalf of MH and/or its affiliates, such person's heirs, executors and legal representatives, against all liabilities and expenses, including judgments, fines, penalties and reasonable attorneys' fees and all amounts paid, other than to MH, in compromise or settlement, imposed upon or incurred by such person in connection with, or arising out of, the defense or disposition of any action, suit or other proceeding, whether civil or criminal, which such person may be a defendant or with which such person is threatened or otherwise involved, directly or indirectly, by reason of such person's holding or having held such position. The provisions of this paragraph shall not apply to any person who has been adjudicated in such action, suit or proceeding not to have acted in good faith in the reasonable belief that his or her action was in the best interests of MH. MH shall provide no indemnification with respect to any matter settled or compromised, pursuant to consent decree or otherwise, unless such settlement

or compromise shall have been approved as in the best interests of MH by (1) a disinterested majority of the board of directors of MH or (2) if there are no disinterested directors, by independent legal counsel representing MH and appointed by a majority of the directors then in office.

The right of indemnification provided in this Article shall not be exclusive of or affect any other rights to which any director, officer, employee or volunteer may be entitled under any agreement, statute or otherwise. MH's obligation to provide indemnification under this Article shall be offset by and to the extent of any other source of indemnification. Nothing contained in this Article shall affect any rights to which MH personnel other than directors or officers may be entitled by contract or otherwise.

**Exculpation:** No MH director, officer, employee or volunteer acting on behalf of MH and/or its affiliates shall be personally liable to MH for monetary damages for breach of fiduciary duty as an officer, director, employee or volunteer notwithstanding any provisions of law imposing such liability: provided, however, that the liability of a director, officer, employee or volunteer to the extent that such liability is imposed by applicable law, shall not be eliminated (1) for any breach of such person's duty of loyalty to MH; (2) for acts or omissions not in good faith or which involve an intentional or knowing violation of law, or (3) for any transaction from which such derived an improper personal benefit. The directors, officers, employees and volunteers of MH shall not be personally liable for any debt, liability or obligation of MH. All persons, corporations or other entities extending credit to, contracting with, or having any such claims against MH, may look only to the funds and property of MH for payment of such contract or claim, or for payment of any debt, damages, judgment or decree, or any amount that may otherwise become due or payable to them from MH.

## ARTICLE 17 - DISTRICT ADMINISTRATION

1. The District Director shall ensure that district administrative matters are handled. The Director may perform such duties personally, assign them to an assistant(s), or delegate them to an advisory group/board. Regardless of how they are performed, the Director retains responsibility and authority for these duties.
2. Districts may organize as 501(c)(3) non-profit corporations, shall account for all funds collected by the District or its programs, and shall annually (prior to August 31) submit to the Treasurer a complete financial report of all operations under the District's control. MN Hockey, at its discretion, can request additional verification of all District financial matters, subject to the terms of MH Financial Management Policies.
3. District Boards operate as an adjunct part of MH. They are critical to the operation of the district and are entrusted to handle many of the administrative details of running a district. However, they are inherently advisory in nature as it would relate to hockey operations in the District. District Boards have the authority to make District Rules, as authorized by the District Director, but the Director is the final authority.
4. For Districts which have a District Board, each member association shall elect a representative. Refer to Affiliate Agreement paragraph 1.2 regarding Affiliates participating with other Affiliates in their district with respect to affairs of the district, and Affiliate Agreement Article III Paragraph C. regarding voting.
5. For Districts which have a District Board, each member association shall have one vote in voting matters. Certain other positions on the District Board may also be voting positions, with the following conditions:
  - a. Such additional votes shall constitute less than half of the total available votes.
  - b. A quorum shall not exist for any individual meeting unless at least 50% of the association representatives are present, and their votes constitute at least 50% of the eligible votes.
  - c. The District Director shall not participate in District Board voting, with the exception that he/she may break ties in the event he/she is running the meeting.
6. District Directors shall be elected for 3-year terms by the affiliate representatives in the district, by giving each representative a weighted vote based on the number of in-season registered players and coaches.

## YOUTH RULES AND REGULATIONS

### (YOUTH JUNIOR GOLD AND YOUNGER – GIRLS 19 & UNDER AND YOUNGER)

Includes Revisions as of September 2023

For the purposes of these rules and regulations:

- Youth Midget and Youth 16 & Under (Jr Gold 16) classifications follow all provisions specified for the Youth Jr Gold classification
- Girls 19 & Under and Girls 16 & Under classifications follow all provisions specified for the Youth Jr Gold classification
- Girls 15 & Under and Girls 14 & Under classifications follows all provisions specified for the Youth Bantam classification
- Girls 12 & Under classification follows all provisions specified for the Youth Peewee classification
- Girls 10 & Under classification follows all provisions specified for the Youth Squirt classification
- Girls 8 & Under classification follows all provisions specified for the Youth Mite classification.

Youth and Girls teams playing at the same competitive level (A, B, C, House) are considered to be equal competitive levels, and these like competitive playing levels shall receive equal treatment.

MH strongly recommends that association rules and/or district league rules reflect the written reason for any different treatment between Youth and Girls teams of similar competitive playing levels. These rules should be based on fact (not opinion) and reflect reasons why teams are treated differently. This includes any voluntary waiver of equitable treatment by the affected team or teams.

## **I. TEAM REGISTRATION**

- A. **TEAM ROSTERS:** A USAH Roster Form must be completed for each team and submitted along with proof of date of birth, proof of legal residency for non-US citizens and other required documentation (refer to paragraph entitled Credentials hereinafter) to the USAH Registrar or designee for approval. Players on teams categorized as "Recreational" are exempt from submitting proof of date of birth or proof of legal residency for non-US citizens. Documentation may be required by the Director, Registrar or local association on an exception basis where citizenship, gender or age is questioned.
- B. The MH Regular Season begins Sept. 1 and ends at the completion of all youth/girls state tournaments.
- C. **The MH Off-Season** begins after the completion of all Youth/Girls state tournaments and ends:
  - a. The first day after Labor Day for Youth 16U and Girls 14U and younger classifications.
  - b. At the beginning of the MSHSL Boys hockey season for Youth 18U.
  - c. At the beginning of the MSHSL Girls hockey season for Girls 16U and 19U classifications

- E. Teams formed for post-season play, regardless of age classification, cannot be registered or sanctioned prior to completion of the MH regular season. Players shall not be contacted regarding participation on such teams during MH-sanctioned activities. Any individual(s) violating this rule shall not be allowed to coach or manage a MH registered team for a period of one year. No off-season youth or girls team may recruit or solicit player or offer contract to players for the off-season, or hold development camps, tryouts, player selections or any activity that could be construed as a tryout/solicitation or recruitment of the off-season until 48 hours after the last game of the Minnesota Hockey State Tournament.

## **II. REGISTRATION**

- A. The USA Hockey and MH Player Registration fees and dates shall be set on an annual basis by USAH and the MH Board. The fees and dates are published on the inside front cover of the MH Handbook.

  - a. Players on house teams may play with both their house team and an association traveling team.
  - b. Players on Minnesota Hockey Tier 1 (pre-post season) National Championship eligible teams may also be registered with a team which is not National Championship eligible.
  - c. Special Events approved by the MH Board by a 2/3 majority. Such events must be on the Winter Meeting agenda at the latest, observing Bylaw provisions for putting items on the agenda, and are subject to requirements imposed by MH.

- D. **COMMITMENT TO TEAM:** Players are expected to participate in all team activities (practices, games, tournaments, etc). An allowance for an "excused absence" upon notice that is reasonable under the circumstances may be established by teams and associations. However, an unexcused absence is grounds for consequence to a player, as determined by the team or association, up to and including suspension. A team or association rule and/or policy as to "excused absences" or as to consequences for unexcused absences must be reasonable and may not be implemented in a manner that discriminates between player participation in one outside program versus another.

## **III. CITIZENSHIP AND AGE REGULATIONS**

- A. Youth Junior Gold and younger, and Girl's 19 & Under and younger - Restricted to US citizens only, and limited to amateurs. The Classifications and their respective cutoff dates as established by the MH Board of Directors are published on the inside front cover of the MH Handbook.
- B. Players in the Junior Gold, Midget and 16 & Under Classifications must be enrolled in high school during the current season. Players on Girls 19 & Under teams are not required to be attending high school.

- D. **AGE CLASSIFICATIONS:** Teams are to be formed observing the established age classifications, with players following the age range established for each classification.
  - a. Each association shall have a policy on whether players are allowed to "play up" to the next classification and conditions that apply. These policies must accommodate players with July/August birthdates so they can "peer up" and participate with their classmates if they desire. Players that "peerup" to participate with their classmates (June/July/August birthdates) shall be fully eligible, unless affected by another MH rule. If a player elects to "peer up" such an election shall be made prior to participation or tryouts for the current season, and once the decision has been made, it shall apply to the entire season.

- b. Players approved to play down, per the USAH Registrar's policy, must participate at the lowest division the association offers.
  - c. Players waived to another association are not allowed to play up unless approved by both association presidents and the cognizant District Director(s).
  - d. Two-thirds of the players on teams at the Squirt level and above must be within the age classification in which the team is registered. Players who "peer up" as a result of a June/July/August birthday qualify for purposes of satisfying the two-thirds requirement and are not considered play ups. Exception: In case of low player numbers, players from multiple age groups may be combined on a single team, with the approval of the cognizant District Director and the USA Hockey Minnesota District Registrar.
- E. AGE CERTIFICATION:** Government issued (state/county) birth certificate or passport must be presented for all players for inspection by the proper authority at the time a player registers (except as provided in para. I-A herein) unless the player is already on the age/citizenship verification list provided by USAH.

#### **IV. PARTICIPATION**

- A. PARTICIPATION POLICY:** MH is a community-based amateur hockey program. Members in good standing are to participate on teams from their local association (local affiliate) based on the residence of their parent(s) or legal guardian(s). The exclusive boundaries of the geographical area served by each local association are determined by MH and recorded in the Affiliate Agreements. In some circumstances, players may participate in another association by requesting a formal waiver from this policy.
- B. PARTICIPATION RULE**
  - a. Players must register and participate with the association whose boundaries incorporate the player's residence. To participate on any other association's team, the player must obtain a waiver.
    - i. All waiver requests must be submitted on a current Waiver Form provided by MH.
    - ii. Indicate the reason for the request on the Waiver Form (school attendance, play on travel team, co-op team, etc.).
    - iii. The releasing and receiving associations may add conditions or restrictions to the waiver. Conditions must be indicated on the Waiver Form and initialed by all parties executing the waiver.
    - iv. The releasing and receiving association presidents must both sign Waiver Forms; then submit to the District (both Districts if two are involved). District Director approval is required on discretionary waivers, but is optional or as required by the District Director on mandatory Waivers.
    - v. Non-Minnesota residents desiring to play for MH must follow the Inter-Affiliate Transfer Protocol.
- b. DEFINITIONS:**
  - i. **Residence** - the legal dwelling of the player's parent(s) or court-appointed legal guardian(s) having custody of the player as substantiated by sufficient evidence to establish the location of the legal dwelling such as a valid driver's license, lease, voter registration card, court filed marital termination custody agreements (if applicable), school enrollment form, cover page of tax return, property tax bill, utility bills or other persuasive evidence as to where the player lives. A pending relocation is not considered to be the player's residence until the parent(s) or legal guardian(s) have completed the purchase or executed a lease and moved into the new residence. For foreign exchange students, the place the player resides while in the USA shall be considered the player's residence. Players moving after tryouts begin can be assigned to teams on a space-available basis.
  - ii. **Association of Residence** - the association whose boundaries include the player's residence. Association of School Attendance - the association whose boundaries include the location of the school the player attends. Note: A player attending a public school that encompasses the boundaries of more than one youth hockey association has the following options:
    - 1. Participate in his/her Association of Residence
    - 2. If the player doesn't live within the boundaries of the associations the school feeds, the player may pick one of the associations as his/her Association of School Attendance on a one-time-choice basis.
  - iii. **Home Association** - either the Association of Residence, or the Association of School Attendance to which a player has been properly waived and continues to attend school.
  - iv. **School** - the primary educational provider of the student to achieve progress towards a high school diploma, the equivalent of a high school diploma, or any post high school degree. If the provider does not instruct the student at a physical facility, the location of the school shall be the student's primary residence. High school students taking post high school classes shall not be deemed to be attending school at the post high school provider's location.
  - v. **Mandatory Waiver** - neither the releasing nor the accepting association can decline to approve a school attendance waiver that meets the requirements as described below.
  - vi. **Discretionary Waiver** - an agreement between associations to transfer a player for reasons as agreed to by the affected associations and District Director(s). Any of the approving parties have the authority to reject such a waiver.

MH association whose boundaries incorporate the school in which the player is enrolled and is attending, as follows:

- i. For purposes of this rule, the school shall be located where the player attends the majority of their academic classes, unless agreed otherwise by the affected District Director(s).
- ii. Players waived based on school choice shall be deemed to be members of their Association of School Attendance and shall have full rights and privileges accorded to all members of that association, including voting rights. (Exception – see “Changing Schools” below.)
- iii. Players receiving a waiver based on school attendance shall register with their Association of School Attendance for as long as they continue to attend that school (including the first year). If they stop attending school in that association’s area, they revert back to their Association of Residence for participation or waiver.
- d. Players waived for non-school attendance reasons are subject to the receiving assn’s policies in accordance with MH governing documents (may not be eligible for the highest team, may be assigned to the lowest team, etc.). They shall remain members of their Home Association, not the assn. they were waived to, with full rights and privileges accorded to all assn. members including voting rights.
- e. **CHANGING SCHOOLS:**
  - i. Players not living in the attendance area of the school they attend shall elect one of the following:
    1. Have full eligibility to compete at any division in their Association of Residence; or
    2. Be eligible at all except the highest division in their Association of School Attendance for one year beginning with the first day of attendance in the new school, with full eligibility thereafter.
      - a. **Exception:** Players enrolling in 9th Grade for the first time are immediately eligible to compete at any division in their Association of School Attendance.
  - ii. Players who have participated in their Association of School Attendance and desire to return to their Association of Residence without a related change of school shall elect one of the following:
    1. Have full eligibility to compete at any division with their Association of School Attendance for one year beginning with the first day that they notify in writing both associations of their intent to return to their Association of Residence; or
    2. Be eligible at all except the highest division in their Association of Residence for one (1) year beginning with the first day that they notify in writing both involved associations of their intent to return to their Association of Residence.
  - iii. For purposes of this rule, a team that is eligible to participate in “AA” level playoffs at the end of the season will be considered a higher division than a team within the same association that is eligible to participate in “A” level playoffs.
  - iv. Submit unusual circumstances to the District Director Committee for a decision.
- f. A waiver must be obtained before a player can participate outside of their Home Association. During a season, a player that registers or participates with one assn. can’t participate with any other assn. without a waiver. Trying out in an assn. is considered participation. A player that participates without a necessary waiver is considered an ineligible player. Refer to the Section entitled Eligibility Provisions.
- g. Players denied a waiver or given a waiver with conditions by their Home Association may appeal in writing to the Home Association’s District Director Committee. The Committee’s decision is final.
- h. District Director Committee: In cases indicated above where decisions are to be made by a District Director Committee, the District Director shall appoint two other persons beside themselves as the designated committee, one of which will be either the Maroon or Gold Vice President. This is to hear appeals pursuant to USAH Bylaw 10 E (1) (b).
- i. Players having dual citizenship, one being the United States, must conform to this participation rule.

## **V. ELIGIBILITY PROVISIONS**

- A. Any team found to have an ineligible player that participates in any MH sanctioned game, exhibition game or controlled scrimmage will be suspended from MH District, Region and State Tournament play for the current season. The head coach of a team that knowingly plays an ineligible player shall, as a minimum, be suspended from coaching for the remainder of the season. These suspensions may be reviewed by the cognizant District Director to determine if the severity of the suspension is appropriate and a less severe penalty may be imposed if the facts so dictate.
- B. Any high school player who participates with their high school hockey team after December 31st is not eligible for MH teams for the balance of the playing season. Refer to the Minnesota State High School League rules for future High School eligibility.
- C. In the Junior Gold and 16 & Under classification a player must have played 5 games before January 25th in order to be eligible for participation in District, Region and State playoffs.

## **VI. TEAM COMPOSITION**

- A. Up to twenty players can be rostered on a team. A maximum of twenty players can dress for a game, with a maximum of eighteen of those players dressed as skaters.
  - a. **Exception:** If a player(s) would be denied opportunity to participate, teams may roster over twenty players to a maximum of twenty-three with approval of the District Director and the USAH

Minnesota District Registrar. Such rosters will be approved only at the lowest competitive level the association offers. Maximum of eighteen skaters and total of twenty players may dress for each game. Rostered players in excess of the dressed limit are not allowed on the players bench. Further, such rosters must be reduced to a final set of twenty players for District, Region, State and National tournaments if the team is participating at a level in which MH teams compete in USAH National Tournaments.

- B. All teams shall roster at least one adult coach. A rostered coach must be present at all team events.
- C. It is recommended that each team in state and region tournaments dress two goalies. If the team doesn't have two goalies, an Emergency Backup Goalie (E-BUG) may be chosen from a team in its league or association, and such an E-BUG may be chosen from the same or a lower but not higher playing division. If a team has played its games with players from its own team, the E-Bug is not available.
  - a. Failing the above, an E-BUG may be chosen from within the team's district or finally from the vicinity in which the tournament is being played.
  - b. The E-BUG may play ONLY in case the regular goalie is unable to play, as determined by the tournament host District Director or Tournament Director.
  - c. The E-BUG shall wear the light or dark jersey of the in-season team on which they are rostered which is the opposite color from the team they are playing for if from the same association.
  - d. The E-BUG retains their eligibility with their parent team or organization at their original classification for the balance of the playing season whether or not they actually play as an E-BUG.
  - e. The E-BUG must be properly registered on a MH team for the current season to be eligible to participate in a region or state tournament. Proof of registration, such as a copy of their parent team's registration roster will be required during tournament check-in. NOTE: the objective of the rule is to allow a team to obtain a back-up goalkeeper during region and state MH play. The rule is not intended to permit teams to improve their goaltending by drafting an additional player.
- f. The releasing/receiving District Director(s) must approve, using the MH E-BUG Goalie Form.
- D. If a team carries only one goalie on its roster and that goalie is not available for region or state tournament play, a REPLACEMENT goalie may be chosen from a team in its league or association. Such a "replacement" goalie may be chosen from the same or a lower but not higher playing division.
  - a. If a "replacement" goalie is not available from within a team's league or association, a "replacement" goalie may be chosen from among the teams in its district; or failing the above, from its region.
  - b. The "replacement" goalie shall wear the jersey of the in-season team on which they are rostered with is the opposite color from the team for which they are acting as a replacement if from the same association.
  - c. The "replacement" goalie retains eligibility with their parent team at their original classification for the balance of the playing season whether or not they actually play as a "replacement" goalie.
  - d. The "replacement" goalie must be properly registered on a MH team for the current season to be eligible to participate in a region or state tournament. Proof of registration, such as a copy of their parent team's registration roster will be required during tournament check-in. Note: the objective of the rule is to allow a team to obtain a back-up goalkeeper during region and state MH play. The rule is not intended to permit teams to improve their goaltending by drafting an additional player.
- e. The releasing/receiving District Director(s) must approve, using the MH Replacement Goalie Form.

## **VII. LEVELS OF PLAY**

- A. "Classifications" means Mite, Squirt, Peewee, 10 & Under, 12 & Under, Junior Gold, etc.
- B. "Divisions" means A, B, C, House, etc.
- C. To encourage development and expansion of hockey within the State and to provide for uniformity of competition, all youth hockey shall be divided into five competitive divisions as herein provided. Each District Director has the responsibility to maintain the integrity of each division within his/her district.
  - a. "A" The highest competitive division – a development program designed to enhance team and individual skills. MH will provide district, region and state tournaments at this division. Every association has the right to enter teams in the A division.
  - b. "B" The intermediate competitive division – also a development program, but primarily intended to provide a uniform competitive experience for smaller communities and programs that are not able to compete effectively at the A division. Every association that has an A division team shall also have the right to enter teams in the B division.
  - c. "C" The lowest competitive division – also serves as an entry level for new communities/programs to provide a competitive experience until they are ready to advance to a higher competitive division. There shall be no region or state tournaments at the C level. All associations that have teams in A or B divisions shall also be entitled to have teams at the C level.
  - d. "House" Similar to "C", but limited to an in-house program (no participation outside of the association).
  - e. "Recreational" Similar to "C", but limited to two activities per week (maximum) within a recreational league or organization (teams do not participate in any way outside of their recreational league or organization). No tournaments are allowed at this level, but a year-end playoff is permitted.
- D. **INTERLEVEL PLAY:** Except in special circumstances approved by the affected District Director(s), Interlevel play (games/exhibition games) is not permitted between classifications (Peewee vs Bantam, 15Uvs 12U) or between divisions (A vs B, B vs C or A vs C teams), except for Jr Gold 16 vs Jr Gold B, and 15UA vs B. Interlevel play is not permitted in MH sanctioned invitational or playoff tournaments, with the exception that Jr Gold 16 teams may participate in Jr Gold B invitational tournaments and

15UB teams may participate in 15UA invitational tournaments. Teams violating this provision may be declared ineligible to compete in any invitational tournaments and in MH district, region and state tournaments for the current season, and, in case of flagrant violations, for such further period of time as the district director shall deem appropriate. House league and city recreational league teams must be registered as C teams if they intend to play other teams outside of their hockey community. District Directors may permit a B or C division team from small cities or newly developed programs to play in a higher division league if there is no comparable division league available.

**E. TEAM LEVELS:** The district director shall review and finalize the division of all teams. Associations shall submit the proposed division for each team to the district director prior to Nov. 15. The director's decision may be appealed to the Gold or Maroon Coordinator whose decision shall be final.

**F. MITE HOCKEY:** MH strongly encourages skill development for all players. This is particularly critical at the Mite level so that players are provided with the foundation to enjoy and have success in the game.

- a. To reduce expense and promote development rather than competition, Mite teams shall participate within their home association and district only. However, the District Director(s) may allow exceptions for convenience or to maintain continuity. The District Director's decision is final.
- b. Mites are generally organized into levels based on age, skill and number of players. As a guideline, Mites should be divided into two levels: Mini-Mites (6 & Under) - the younger, beginner and less skilled players; and Mites (8 & Under) - the older, experienced, more skilled players.
- c. The focus for Mites is to teach/develop basic skills: skating, puck handling, shooting and passing. Cross-ice, half-ice and small area games are the standard of play to maximize ice utilization, increase puck touches and increase competition and fun. The American Development Model (ADM) and Minnesota Development Model (MDM) provide blueprints for player development.
- d. At the Mini-Mite (6 and Under) level – all games shall be played cross or half ice.
- e. At the Mite (8 and Under) level – the standard playing surface for all games is cross- or half-ice. Recognizing that associations may want to deviate from the standard, after January 15th up to ten full-ice games are allowed with the District Director's approval. The Director's decision is final.
- f. Local hockey associations are in the best position to design programs so their players can develop and have fun. This should be based on the principles of the MDM and ADM, the number of players in their program, the skill of their players, the availability of ice and their coaching staff.
- g. Recognizing the need for flexibility and differences between associations, the District Director will monitor the standards outlined in #4 and #5 above. Abuses will result in sanctions against the association(s) at the sole discretion of the Director.
- h. MH permits cross/half ice Mite Tournaments; full ice Mite Tournaments aren't permitted. Guidelines for sanctioned Mite Cross/Half Ice Tournaments are in the Tournament Supplement. MH Mite teams can't participate in out-of-state tournaments, except cross/half ice as approved by the District Director.
- i. Jamborees may be conducted at the Mite level. A jamboree is defined as a low-key full participation event where players have an enjoyable learning experience in a non-competitive environment. Jamborees need not be registered as tournaments, but must follow the "Team Rest" provisions as provided under "Playing Rules". The format for a Jamboree shall be as follows:
  - i. The District Director must approve a proposed Jamboree at least thirty (30) days in advance.
  - ii. All teams must be from one MH District, unless approved in writing by the MH Directors involved.
  - iii. Information referring to the event must state "Jamboree", not tournament.
  - iv. Team fees can cover only costs for ice time, officials, medical attendants and participant awards.
  - v. There can be no gate fee. A free-will donation box will be permitted.
  - vi. USA Hockey certified officials are recommended.
  - vii. No score may be kept, no winners, no losers, no standings. This will generally require a predetermined round-robin format to be followed.
  - viii. No statistics may be kept, such as shots, saves, goals, assists, time of possession, etc.
  - ix. Participation awards, if given, shall be the same for all participants. No team awards or trophies.

**J. SQUIRT and GIRLS 10 & Under HOCKEY:** MH strongly encourages the skill development of all players especially at the entry levels. Therefore, the following is effective for the Squirt and Girls 10 & Under levels.

- i. Limit number of games (league/tournament/exhibition games excluding district playoffs) to a maximum of 35 per season.
- ii. A three to one practice to game ratio shall be supported by all associations.
- iii. A and B squirts and A and B Girls 10 & Under must be allocated an equal quality and number of ice hours.
- iv. Coaches should strive for approximate equal playing time among all players, excepting reduced time for disciplinary reasons.
- v. The above policies will be monitored by each local association and district. Failure to comply will result in sanctions against the respective Association as determined by MH.
- vi. There shall be no region or state tournaments at the Squirt and Girls 10 & Under levels.

The playing rules in this section apply to all games unless modified elsewhere in these rules.

- G. At the Junior Gold and 16 & Under classification, a Game Ejection shall be automatically assessed when a player receives a third penalty during a single game. The player shall immediately be removed from the ice and another player shall serve the penalty. Enforcing this penalty is the joint responsibility of the referees, the scorekeeper, the coach and the player.
  - a. If it is determined during a game that a team allowed a player to continue to participate after receiving their third penalty, the game will be immediately forfeited to the other team.
  - b. A completed game may be protested if it is suspected that a team allowed a player to continue to participate after receiving their third penalty. The protest must be filed with the proper authority within one hour for tournament games, and within 24 hrs for league games. The protesting party must provide substantiating evidence. If verified, the subject game will be forfeited.

Only the players (maximum 20) and coaches (maximum 4) listed on the official USAH Roster or replacement coaches approved by the district director are allowed to be on the bench during MH sanctioned competition. Replacement coaches must be currently registered and rostered on a MH team and can use their current team roster for purposes of credential verification. In order to participate in team activities, all coaches (head and assistant) must be certified at the proper Coaching Education Program (CEP) level according to USAH requirements. Coaches of pre-season High School teams must be CEP certified at the proper level when the team is registered or no later than two weeks before the end of their season.   - b. Teams may schedule practices before or after games, without the two hours of rest, at the discretion of the coach and assn.
- K. **CONCUSSIONS:** (refer to Minnesota Statute 121A.37)
  - a. MH must make concussion information accessible to all coaches, officials, players and parents/guardians, including the effects and risks of continuing to play after receiving a concussion. This includes the nature and risks of concussions associated with athletic activity, concussion symptoms, the need for urgent diagnosis and treatment when a player is suspected or observed to have received a concussion, and the need for concussed players to follow proper medical direction before returning to play. All coaches and officials must receive initial training regarding concussions, and participate in refresher training every two years thereafter. Each coach shall complete and provide a coach concussion acknowledgement form to the association prior to participating in any team activities.
  - b. Coaches, officials and/or medical attendants shall and are authorized to remove a player from participating if the player exhibits concussion signs, symptoms or behaviors, or is suspected of sustaining a concussion. MH's Return To Play Form. "Health care provider" means a third-party health care professional who is registered, licensed, certified or otherwise statutorily authorized by the state to provide medical treatment, and is practicing within their training and experience to evaluate and manage pediatric concussions. Two Sets of jerseys with contrasting colors should be available. The tournament director will advise the opposing teams to wear a contrasting color (the designation of Home and Away teams would be unaffected).
- H. Host associations are only required to give out a maximum of four (4) passes to team officials (coaches), and at their discretion may give an extra pass to the team manager.

Penalties shall begin at the face-off immediately following the assessment of the penalty. Do not post penalties on the scoreboard unless they can be entered without stopping the clock.
- J. **BREAKING OF TIES:**
  - a. For Region and State Tournament games, the following overtime format shall be used. The teams shall change goals after the third period and stay that way through all overtime periods.
    - i. A two minute rest, then a first sudden victory overtime period – ten minutes – five on five

- iv. Refer to paragraph entitled "Ice Resurfacing" herein for additional resurfacing requirements.
- v. This plan of play shall continue until one team scores. If the teams remain tied after three ten-minute periods of sudden victory overtime, the tournament director, in the best interest of the tournament, has the option of suspending the game and completing it at a later time.
- b. Method of determining a champion in round robin tournament play: The standings shall be determined on the basis of two (2) points for a win, zero (0) points for a loss, and one (1) point for a tie. (During district, region and state tournaments, regardless of format, all games will be played to a win/lose situation. There will be no ties.). If two or more teams have an equal number of points, their position in the standings shall be determined by:
  - i. The results of the games played between the tied teams in the following order:
    1. The points acquired in these games
    2. Subtract goals scored against from goals scored (position by greatest surplus)
    3. Divide goals scored by the goals scored against (position by greatest quotient)
  - ii. If after applying the formulas of a.1, a.2, or a.3 the tie still exists, a.2 and a.3 shall be applied using all the games played by each team. When the tie involves three or more teams, their position in the standings shall be determined as follows: If one tie-breaker establishes a position for one or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall start the tie-breaking process again at step 3.a.1.
    1. If the above procedure does not break the tie, the team that scored the first and fastest goal in a game will be the tie breaker. If the teams are still tied, the teams shall use a shoot out procedure. This will involve each team selecting five (5) players who will alternate taking penalty shots. A toss of the coin will determine which team will take the first shot. If after five (5) players from both teams have completed this procedure, the tie still has not been broken, it shall be repeated with five (5) different players until the standings are determined.

Teams in Region/State games shall have at least three hours rest between games on the same day. The tournament formats, including tournament dates and game times must be submitted to the Tournaments Committee Chair no later than December 31 in the year preceding the tournament. If the above requirements are not met, the Tournaments Committee Chair shall notify the cognizant Divisional Vice President within five days following the deadline. The cognizant Divisional Vice President is responsible for resolving the problem. This resolution must be accomplished within fifteen days and the Tournaments Committee Chair is to be so notified. For Region and State tournaments with elimination brackets, the team on the top of the bracket is home. For round-robin tournaments, the home team shall be clearly indicated.

The completed and approved sanction form and accompanying materials (tournament rules and bracketing) serve as a contract between the sponsoring affiliate and MH/USAH as to how the tournament will be conducted. Un-approved changes to this contract (such as changing brackets, game time, or rule substitutions) will be considered a sanction violation, subject to penalties defined below.
  - m. Invitational Tournament hosts shall respond within ten business days of the receipt of any application and inform the applicant whether the application is accepted, incomplete, declined or wait listed. Responses shall include the following:
    - i. If incomplete, identify the reason it is deemed incomplete and the date by which any deficiencies are to be corrected.

# 2024 MINNESOTA HOCKEY TOURNAMENTS

Includes Revisions as of July 2017

## Peewee & Bantam AA Region/State Tournaments

Peewee A and Bantam A teams will be split into "A" and "AA" sub-divisions at the end of the season for the purpose of State Tournaments and associated playdowns. The process to do this will be as follows:

1. The AA sub-division started with the 2012-13 season. The default sub-division for teams (A or AA) was determined by the Minnesota State HS League classification of the boys' HS programs that the association served. Associations were allowed to request a change from AA-to-A or A-to-AA sub-divisions.
2. Going forward, teams will be assigned to the same sub-division as they were the previous season - the process as indicated below can be used to request a sub-division change. For new teams, the subdivision will be assigned by default as indicated above subject to a requested change. Any team that by default qualified to be AA, petitioned down to A, and then won the A state tournament will need to justify continuing to participate at the A level, or upgrade to AA the following season.
3. Associations may request to change their sub-division from AA-to-A or A-to-AA. Bantams and Peewees can be in different sub-divisions (one at A – the other at AA).
4. Associations can have multiple AA teams, or one AA team and one or more A teams. If an association having an AA team wants to have multiple A teams, the A teams have to be picked equal.
5. Any request found to have false information will be cause to have the decision reversed.
6. All Sub-Division changes must be received by the cognizant District Director by a date established by the District but in all cases no later than November 25th.
7. The District Director will make a final determination by the start of their league scheduling meeting, consulting with the Associations as needed.
8. NOTE: The A and AA sub-divisions are sub-groups of the "A" division – both are considered "A" teams through the regular season. AA and A teams may play in the same district league, using a balanced or unbalanced schedule, or may be split into separate leagues at the District Director's discretion.
9. The Peewee and Bantam AA Regions will use double-elimination bracketing and each will advance two teams to State. However, the Regions will be configured differently than the "A" and "B" Regions.

## Peewee & Bantam AA Regions – North Format

The North Region will consist of Districts 11, 12, 15 & 16, with pairings as indicated below. If a district has less than (2) teams, the North Directors will determine how to bring in add'l seeds or modify the tournament.

## Peewee & Bantam AA Regions – South/East/West Format

1. The South/East/West Regions will consist of Districts 2, 3, 4, 5, 6, 8, 9 & 10. Each of these districts will advance at least one team to regions (assuming they have AA teams). Additional region seeds will be awarded proportional to the number of AA teams in each district to fill out the 24 teams. When the total number of teams is finalized, the Competition Committee will determine district allocations and seeding based on criteria below. Districts will be notified of seeding to the three region tournaments after all district tournaments are concluded. Tournament hosts must block rooms if the location is not in the metro area.
2. The host districts will have their #1 seeds in the tournaments they are hosting.
3. The other districts' #1 seeds will be placed in a region via a blind draw.
4. The remaining teams will be seeded according to the following:
  - Districts will not have their #1 and #2 seeds in the same region
  - #2 seeds will be placed in a region via a blind draw
  - A district's #3 seed won't be placed in a region with that district's #1 or #2 seed. If required, adjustments will be made to assignment of #2 and #3 seeds to maintain equal relative strength among the regions.
  - As possible, a District's #4 seed will be placed with their #1, a district's #5 seed will be placed with their #2, and a district's #6 seed will be placed with their #3
5. First round pairings will be set up according to the following:
  - #1 seeds will be placed via a blind draw. If there are two #1 seeds, they will be placed in the 1<sup>st</sup> and 3<sup>rd</sup> quarterfinal games. If three #1 seeds, they will be placed in the 1<sup>st</sup>, 2<sup>nd</sup> and 3rd quarterfinal games.
  - A district's #1 seed will play the highest numerical seed in the region
  - A district's #4 / #5 seed will be in the opposite half of the bracket as their #1 seed
  - The remaining #2 seeds will be placed in quarterfinal games via a blind draw
  - The #2 seeds will play the highest remaining numerical seeds in the region

# TOURNAMENT SUPPLEMENT

Includes Revisions as of June 2013

(Also refer to Sections in the Youth Rules and Regulations entitled "District, Region and State Tournaments" and "Invitational Tournament Sanctioning".)

## 1 - GENERAL

- A. This Supplement offers general information on how to conduct sanctioned invitational tournaments, as well as information that may be helpful in conducting Minnesota Hockey District, Region and State tournaments. Following these guidelines will promote consistency in the operation of tournaments, and provide a meaningful hockey experience for the players.
- B. "Rules and Regulations" for the classification (Adult, Adult Women, Squirt, Peewee, Bantam, 12U, 15U, etc) or division (A, B, C) of players involved are found elsewhere in this Handbook.
- C. The requirements of this Supplement apply to all invitational tournaments and jamborees, whether indoor or outdoor, but excludes Mite jamborees. All such events are referred to generically herein as "tournaments".
- D. SUB-LEVELS – USA Hockey does not officially recognize sub-levels within an established division. B1 or B2 teams are considered "B" teams, and only "B" tournaments are sanctioned (not B1 or B2). This system is sometimes used to advertise that higher or lower caliber teams are desired for a particular tournament. Any "B" team can attend a "B" tournament, but hosting organizations may reject applications from teams which are considered too strong or too weak for the anticipated competition.
- E. OFFICIALS MEETING – It is strongly recommended that a meeting of the team coaches and managers, tournament chairperson, and an official's representative be held before the tournament begins.
- F. FIRST AID EQUIPMENT - Locate equipment to be used in case of medical emergency, such as first aid kit and stretcher, before the start of each game. Such equipment should be readily accessible and used only under the direction of the Medical Attendant or other qualified medical professional.

## 2 - PLANNING

- A. Proper planning is critical to the success of any tournament. Many details must be worked out in advance, and the responsible group and/or affiliate must get organized early so they are prepared to handle common issues before they become problems.
- B. BRACKETING – Determine the type of bracketing to be used: Single Elimination with Consolation, Double Elimination, Round Robin, 6-team, 8-team, 16-team, etc. This will affect ice time requirements, and teams playing (or considering playing) in the tournament will want to know how it will be bracketed.
- C. ICE TIME – Develop a tournament schedule and make sure adequate ice time has been set aside. Numerous factors affect the time required, including length of periods, run time or stop time, resurfacing schedule, time outs, tie breaking procedures, time off for players rest, and the level of game involved (Junior Gold and Bantam games take longer than Squirt games due to more stoppages in play). It is a good policy to set aside ice time at the end of the day if the format is susceptible to delays.
- D. COORDINATION WITH ARENA – Contact the arena manager to ensure that the game times and resurfacing requirements are feasible. Events before and after the tournament should also be reviewed for potential conflicts with tournament operations. Other related facilities, such as hospitality rooms or team check-in areas, should be reserved in advance.
- E. LODGING RESERVATIONS – Make advance arrangements to secure lodging for tournament participants. Each out-of-town team will generally require 10-12 rooms, although well attended tournaments such as Regions or State may require more. Most hotels will hold blocks of rooms up to 30 days before the check-in date. Due to short notice of teams participating, special arrangements are needed for Region or State Tournaments.
- F. MANDATORY RULES – The following must be included in each tournament's rules:
  1. USA Hockey registered referees will be used
  2. Medical attendants will be provided for each game (not mandatory for Mites)  
(See paragraph in Youth Rules, entitled "Medical Attention")
  3. USAH rules as modified by MH for the classification involved must be adopted  
(may be modified as indicated below)
  4. Canadian teams must wear protective equipment as designated by CAHA.
- G. OPTIONAL RULES – Decide which rules will be followed for the tournament. The USA Hockey Rules as modified by MN Hockey for the classification involved serve as the baseline, but additional rules (generally more restrictive) can be added as needed. Following are examples of rules which are typically determined for each tournament.
  1. Length of periods, stop/run times.
  2. Method of resolving tie games at the end of regulation time
    - a. Fair Play point
    - b. Sudden death overtime - Length and number of OT periods; Number of players by OT period
    - c. Shots in OT
    - d. Shootout
  3. Time outs allowed or disallowed
  4. More restrictive ejection rules (such as the Three-penalty EJ Rule)
  5. Will goal Judges be used?
  6. Procedure if the team roster exceeds 20 players (such teams generally set a 20-player roster prior to each game).

- H. The following is an example of breaking ties in a Round Robin tournament, using the Minnesota Hockey tie-breaking procedure (Refer to Youth Rules).

**EXAMPLE**

GAME 1	GAME 2	GAME 3	GAME 4	GAME 5	GAME 6
Team A - 3	Team C - 3	Team A - 6	Team B - 2	Team B - 6	Team A - 4
Team B - 5	Team D - 2	Team D - 5	Team C - 6	Team D - 3	Team C - 1

After all games have been played there are three teams tied with 4 points each. If two or more teams have an equal number of points, their position in the standings shall be determined by –

- a. The results of the games played between the tied teams in the following order:

1. The points acquired in these games (games among the tied teams only).

Take out the games played with team D.

The teams A-B-C are still tied with 2 points each.

- 2 Subtracting goals against from goals scored in these games.

Team A	Goals for 3 + 4 = 7	Against 5 + 1 = 6	Net +1
Team B	Goals for 5 + 2 = 7	Against 3 + 6 = 9	Net -2
Team C	Goals for 6 + 1 = 7	Against 2 + 4 = 6	Net +1

This tie-breaker places Team B behind Teams A and C. So Team B is placed third, and the process would be restarted between Teams A and C to determine first and second placement.

3. If the teams had still been tied, the next step would have been to divide the goals scored in these games by the goals scored against. For this example:

Team A	Goals for 3 + 4 = 7	Against 5 + 1 = 6	7/6 = 1.1667
Team B	Goals for 5 + 2 = 7	Against 3 + 6 = 9	7/9 = 0.7778
Team C	Goals for 6 + 1 = 7	Against 2 + 4 = 6	7/6 = 1.1667

Team B places behind Teams A and C, so (if step 2 above had not placed one of the teams) this step 3 would have placed Team B third, and the process would be restarted between Teams A and C to determine first and second placement.

- b. If the tie still exists after applying formulas a1, a2 & a3, then a2 & a3 shall be re-applied using all the games played by each team.

2. Subtracting goals against from goals scored in all games.

Team A	Goals for 3 + 4 + 6 = 13	Against 5 + 1 + 5 = 11	Net +2
Team B	Goals for 5 + 2 + 6 = 13	Against 3 + 6 + 3 = 12	Net +1
Team C	Goals for 6 + 1 + 3 = 10	Against 2 + 4 + 2 = 8	Net +2

This tie-breaker places Team B behind Teams A and C, so Team B is placed third, and the process would be restarted between Teams A and C to determine first and second placement.

3. Dividing the goals scored in all games by the goals scored against.

Team A	Goals for 3 + 4 + 6 = 13	Against 5 + 1 + 5 = 11	13/11 = 1.1818
Team B	Goals for 5 + 2 + 6 = 13	Against 3 + 6 + 3 = 12	13/12 = 1.0833
Team C	Goals for 6 + 1 + 3 = 10	Against 2 + 4 + 2 = 8	10/8 = 1.2500

If the process went this far, Team C would be placed first, Team A second, and Team B third.

- c. If the above procedure does not break the tie, refer to MN Hockey Youth Rules and Regulations – District, Region and State Tournaments – Breaking of Ties.

**3 - TOURNAMENT OPERATIONS**

- D. PUCKS - Pucks should be those which are approved for use by the National Hockey League. These pucks are harder (less bounce) and slide easier than practice pucks.
- E. Ipads/SCOREBOOKS – Official MH (or MH District) scorebooks must be used for District, Region, or State tournaments and are provided by MH. These scorebooks may also be used for invitational tournaments, and are available at a reasonable cost from the MH Vice President for Tournaments or the District Director. The host must retain a copy of the completed scoresheet, and provide a copy to each team.
- F. DRESSING ROOM ASSIGNMENT AND SECURITY – Dressing rooms should be pre-assigned and the host should provide a means to lock the rooms or provide someone to monitor them at all times. If neither can be provided, the host should instruct the teams to take their belongings with them to the players' bench.
- G. PENALTY REPORTING – In all cases where a game misconduct, gross misconduct, match penalty or fighting penalty is assessed, the incident must be reported to the District Director and the Supervisor of Officials to the District that the team is from. This is primarily the responsibility of the referees officiating the game, but the Tournament Director should verify this notification.

**4 - GUIDELINES FOR MINOR OFFICIALS**

- A. Minor officials, including timekeeper, scorers, penalty box attendants, announcers, and goal judges, are an important part of a well-run tournament. Their support of the on-ice officials is critical to the efficient and proper handling of the game.
- B. CONDUCT – The conduct of minor officials must be professional and objective:
1. All minor officials must be mature and competent adults.
  2. Minor officials must never be biased or exhibit partiality towards either team.
- C. No persons other than minor officials and on-ice officials may be allowed at the timekeepers/scorers table, penalty box or goal judges' area during any portion of a game. (Exception – the Medical Attendant may be located in a penalty box area if that provides the most direct access to the ice.)

**D. TIMEKEEPER**

1. Arrive at the arena thirty minutes prior to the scheduled start of the game.
2. Should be experienced and familiar with the operation of the clock.
3. If not familiar with the clock, get clock operating instructions from arena staff.
4. Check the clock before the game to verify it is operating properly.
5. Become familiar with the tournament rules and game format (length of warm-up, length of periods, running/stop time, resurfacing schedule, overtime, time-outs, etc.)
6. Be attentive to the game, ensure the clock is stopped/started at the proper times.
7. Must be familiar with playing rules as they relate to penalties. Assist the Scorer in communicating with the officials on penalties reported. Ask the official to repeat the call if it is not understood, or it is not clear when players are to return to the ice.
8. Ensure the Scorer accurately records goals scored, assist(s), penalties and time remaining in the period when they occurred.
9. Inform Penalty Box Attendants when players can return to the ice. Assist Scorer to ensure the proper recording of the expiration time.
10. Alert the Announcer when remaining time approaches one minute (each period).
11. Distribute iced pucks to on-ice officials as requested.

**E. SCORER**

1. Arrive at the arena thirty minutes prior to the scheduled start of the game.
2. Responsible for keeping an accurate written record of the events which occur during the game.
3. An official Ipad/score sheet must be used, and a copy provided to each team and the sponsoring affiliate. MN Hockey score sheets (or District score sheets) are preferred.
4. Obtain rosters and starting lineups from team coaches or managers, and the team sponsor. Record this information on the score sheet.
5. Be attentive to the game. Communicate with officials on goals scored, assist(s), and penalties. Ask the official to repeat the information if it is not clear.
6. Record all goals scored and assists, and the time remaining in the period when they occurred. (Elapsed time is not recommended.)
7. Record all penalties, and time remaining in the period when they occurred. Do not record the time they return to the ice until the actual time. (may be less than two minutes if a goal is scored, more than two minutes if coincidental and waiting for a whistle).
8. Record all penalties assessed to non-players.
9. Indicate on the score sheet the time at which each team takes their time out (if time outs are allowed).

**F. ANNOUNCER**

1. Arrive at the arena thirty minutes prior to the scheduled start of the game.
2. Assist the Scorer to obtain team rosters and starting lineups.
3. Review pronunciation of players, coaches, assistants and managers names. If uncertain, check with a member of the respective team.
4. Test the public address equipment for proper function.
5. Check the tape player and tape of the National Anthem (unless live music is provided).
6. Announce starting line-ups, head coaches, assistants, managers, and sponsors.
7. Request all to rise, remove hats and join in singing the National Anthem (generally before the first game of the day and Championship game).
8. Announce all goals scored and assists, giving player names and numbers, with elapsed time (calculated from time remaining).
9. Announce penalties assessed, and when a team returns to full strength following a penalty.
10. Announce when there is one minute left in a period.
11. After each period, announce shots on goal for that period, and the total for the game to that point.

**G. PENALTY BOX ATTENDANT**

1. Arrive at the arena fifteen minutes prior to the scheduled start of the game.
2. Do not allow unauthorized personnel into penalty boxes.
3. Open and close the door as penalized players enter and leave the penalty box.
4. Affirm when penalties expire and which player is to return to the game with Timekeeper and Scorer.
5. Penalized players must wear helmets/face mask and remain seated while in the penalty box.
6. Do not engage in a discussion with penalized player about the penalty which was assessed.

**H. GOAL JUDGES**

1. Arrive at the arena fifteen minutes prior to the scheduled game.
2. Remain seated and attentive while in the goal judge area.
3. Do not allow unauthorized personnel in the goal judge area.
4. Do not carry on discussions or become distracted while the Game is in progress.
5. If the ENTIRE puck crosses the ENTIRE goal line, turn on the goal light or give the appropriate predetermined signal as requested by the officials.
6. Remember it is not your responsibility to determine if a legal goal has been scored – only that the puck crossed the entire goal line. Remember also that you may miss a goal which is signaled by the referee.

**I. SHOTS ON GOAL/SAVES**

1. A "save" occurs when a puck would have legally entered the goal had the goalie not stopped it.
2. A "shot on goal" occurs when a puck legally enters the goal, or a puck would have legally entered the goal had it not been stopped by the goalie (goals + saves).

3. Goal judges or another designated person may be requested to keep the record of goaltender saves or shots on goal.

## 5 - GUIDELINES FOR MITE TOURNAMENTS

- Tournament Rules: Specific tournament rules are to be submitted with the application for approval.
- Tournament Format: Pool Play, Bracket or a combination thereof.

- Officials: Recommend using one USAH certified official. See USAH Cross-Ice Officiating Guide.
- Medical Attendants: Not required.
- Team Rest: Rest rule applies as stated in MH Youth Rules, Playing Rules.
- Rink set up:
  - Create cross-ice or half-ice playing surfaces using soft bumpers or solid ice dividers.
  - Cross-ice, dividers on blue lines creating two cross ice surfaces in the two end zones. Center zone is for the players box.
  - Half-ice, divider on the center ice line. Teams use player's box, one team for each door.
  - Line drawn at the middle of the playing surface as a "tag up" line, as determined by the official.
  - Standard goal nets are used
- Basic Playing Rules:
  - 3 skaters (3v3) and a goalie or 4 skaters (4v4) and a goalie.
  - There are no off-sides or icing.
  - Game time: two 25-minute halves, running time. Five minute warm up; one minute between halves.
  - Play is started with a face off at the beginning of first and second half.
  - When a goal is scored all three (or four) players from the scoring team must leave the zone and tag up on the "tag up" line. All three (or four) players must be tagged up at the same time before any attacking player re-enters the zone.
  - When the goalie freezes the puck the three (or four) offensive team players must leave the offensive zone and tag up on the "tag up" line. Each attacking player can tag up independently. Any player that does not tag up is ineligible to play the puck until the puck leaves the zone or the player leaves the zone. A player that starts outside of the line may enter the offensive zone immediately.
  - Players will change on the fly or on sound of buzzer horn or whistle at designated time increments (60 seconds). When using set time for line changes, the players must leave the puck where it is on the rink when the buzzer sounds. Penalty may be assessed if the puck is shot into the offensive zone after the buzzer by a player leaving the ice.
  - A maximum of 10 goal differential allowed. If the goal differential returns to 9, scoring will resume.
  - If the puck leaves the ice surface (over the dividers or glass) there shall be a face off at center ice. If the puck leaves the ice but kept in the ice surface by the safety netting the puck shall be played live. The official should carry extra pucks.
- Penalties: USA Hockey playing rules apply. Offending player is not required to leave the ice. When a penalty occurs, a penalty shot shall be awarded. All players will line up ten feet behind the "tag up" line and cannot leave until the shooter touches the puck. It is acceptable for the shooter to pass the puck or be caught by a defender. Once the shot is taken, if the player scores the "after a goal rule" applies. If the player doesn't score, the puck will be played live, and the player who shot the puck cannot shoot on goal again until another player plays the puck.
- Team Eligibility: Teams may travel no more than 30 miles or be from their own District. Teams leaving their district must get approval from their District Director.

# BOARD OF DIRECTORS CODE OF CONDUCT

(Approved June, 2009 – Includes revisions as of June, 2021)

**1. Purpose.** The purpose of this policy is to establish general standards of conduct required of members of the Minnesota Hockey (MH) Board of Directors (Board). Board members (“Members”) are required to annually sign MH’s Conflict of Interest Policy. Any other applicable federal, state and/or local law, including MH Bylaws, shall govern in the event of any conflict between such applicable law and this policy.

**2. General Standards of Conduct.** In order to fulfill its responsibility and support the vision, mission, values and goals of MH, the Board functions as a collegial unit. The Board functions well as a unit when the individual members act ethically, are committed to working together, operate in a non-partisan manner and speak with one voice. The Board creates a positive climate when it focuses on the future, acts with integrity and civility and uses its influence appropriately.

**3. Authority To Act.** Each Member is strongly encouraged to contribute his or her perspectives and talents to the Board. Although Members are free to respectfully voice their personal opinions, no Member has the authority to act on their own to further a personal agenda. Further, no Member has the authority to direct MH employees, volunteers or operations, unless otherwise provided for in the MH Bylaws.

**4. Informed Decision-Making.** Members strive to make informed decisions based on sufficient information, thoughtful deliberation and comprehensive understanding of issues. To achieve that goal, Members gather information by listening, asking questions, analyzing materials and exploring issues thoroughly in conjunction with other Members, employees, volunteers and other constituency groups.

**5. Support for MH Rules As Presented In the MH Handbook.** MH administrative and playing rules are detailed in the MH Handbook under Articles of Incorporation, By-Laws, Youth Rules and various policies and procedures. In addition, MH, as an affiliate of USA Hockey, follows the USAH rules as outlined in its handbook. Members are to uphold the rules adopted by both organizations and outlined in each handbook. However, as MH evolves, changes to the rules outlined in these handbooks may be necessary and, to that end, expression of ideas and opinions are also necessary. Expression of such ideas and opinions should be done with respect for the existing rules, their creators and current board members.

**6. Official Spokesperson.** Members are the stewards of the organization and advocates of its policies and programs. The official spokesperson for the Board is the President of the Board or the President’s designee. Whenever a Member issues a statement verbally, in writing or via a social media platform that could conceptually become public information, the statement should be identified as the personal opinion of the Member and not the official position of MH, unless specific permission to speak officially was granted by the Board. In the case of social media, the above holds true regardless of whether the Board member’s or representative’s name is visible on the account or not.

**7. Removal.** If the Board determines that the conduct of a Member has violated the member’s professional or fiduciary responsibilities, Board policies or other governing law, the Board may recommend that the member be removed from the Board, for cause, under MH Bylaws, Article 7, or establish such other discipline as the Board deems appropriate. Any three Members of the Board of MH may bring to the President, or immediate past president if the situation involves the President, in an anonymous manner an allegation that a Member has violated the standards of conduct in this Code of Conduct. The President shall discuss the allegations with the Member alleged to have violated this Code of Conduct. If the President or the three initiating Members do not believe that the conduct has been rectified, either may bring the matter to the full Board for a determination of whether the Member should be removed from the Board for cause or other appropriate discipline. In addition, if any other person believes a member has violated this Code of Conduct, such person may bring to the President, or immediate past president if the allegation involves the President, in an anonymous manner such allegation to be addressed in the same manner as if the allegation was raised by a Member.

**8. Standards of Personal Conduct.** Each Member should conduct themselves in a manner that exhibits respect, concern, courtesy, and responsiveness in carrying out the Board’s mission and responsibilities. Members shall demonstrate the highest standards of personal integrity, truthfulness, honesty, and fortitude in all activities related to inspire confidence and trust in our activities. Violation of such conduct includes, but is not limited to: (a) the use of abusive language to other Members, affiliate representatives, players, parents or others while conducting MH business; (b) consumption of or under the influence of an alcoholic beverage

or illegal drug during Board or committee meetings or while conducting MH business; (c) possession of unauthorized materials such as explosives, firearms, weapons or similar items during Board meetings or while conducting MH business; (d) courtesy, rudeness to a fellow Board Member, staff member, affiliate member, volunteer, player or parent; (e) verbal, physical or visual harassment of another Board Member, staff member, affiliate member, volunteer, player or parent; (f) actual or threatened violence toward any individual or group; (g) conduct endangering the life, safety, health or well-being of others; (h) failure to follow any MH policy or procedure; and (i) bullying or taking unfair advantage of any other Member, staff member, affiliate member, player or parent.

**9. Attendance at Board Meetings.** Members are expected to regularly attend Board meetings, and to participate in Board meetings in a constructive and positive manner. Members should be prepared to discuss the issues and business on the agenda and read all background materials provided. Members should cooperate and respect the opinions of fellow Members and leave personal prejudices out of all Board discussions. Members are expected to attend Board meetings in a condition that enables them to participate in the meeting in compliance with the standards and ideals set forth in this policy.

**10. Support of Board Actions.** Members must support Board decisions even when the Member does not personally support the action taken.

## WHISTLEBLOWERS POLICY

(Approved September, 2011)

Minnesota Hockey has a Whistleblowers Policy in compliance with the Sarbanes-Oxley Act of 2002.

If any employee, volunteer, player, coach, official, officer or director of Minnesota Hockey ("Members") reasonably believes that some policy, practice, or activity of MH is in violation of law, a written complaint may be filed by that member with the President or Executive Director of Minnesota Hockey.

It is the intent of MH to adhere to all laws and regulations that apply to the organization, and the underlying purpose of this Policy is to support the organization's goal of legal compliance. The support of all employees, volunteers, officers, or directors is necessary to achieve compliance with various laws and regulations. A Member is protected from retaliation only if the Member brings the alleged unlawful activity, policy, or practice to the attention of MH and provides MH with a reasonable opportunity to investigate and correct the alleged unlawful activity. The protection described below is only available to members that comply with this requirement.

Minnesota Hockey will not retaliate against a Member who, in good faith, has made a protest or raised a complaint against some practice of MH, or of another individual or entity with whom MH had a business relationship, on the basis of a reasonable belief that the practice is in violation of law, USAH/MH rules or bylaws, or a clear mandate of public policy.

MH will not retaliate against a Member who: (a) discloses or threatens to disclose to a supervisor, officer or a public official any activity, policy, or practice of MH that the Member in good faith reports a violation, suspected violation, or planned violation of any federal or state law or common law or rule adopted pursuant to law to an employer or to any governmental body or law enforcement official; (b) is requested by a public body or office to participate in an investigation, hearing, inquiry; or (c) refuses an employer's order to perform an action that the employee has an objective basis in fact to believe violates any state or federal law or rule or regulation adopted pursuant to law, or the employee informs the employer that the order is being refused for that reason. Any Member making a report concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates an actual or potential issue addressed by this Policy.

Whistleblower protections cover two important areas – confidentiality and retaliation. To the extent possible, the confidentiality of the whistleblower will be maintained. However, an individual's identity may have to be disclosed for prosecution, provided that the Member shall be informed prior to disclosure.

If a Member believes they are being retaliated against, they must contact the President or Executive Director immediately.

All Board Members are required to sign-off that they received a copy of this policy and understand it. Further, Board members shall be provided with an opportunity to ask questions about the Policy.

# MINNESOTA HOCKEY

## Inter-Affiliate Player Transfer Protocol

(Adopted June, 2010)  
(Includes revisions as of June, 2018)

Minnesota Hockey, Inc., an affiliate of USA Hockey, requires that any player who resides in another state and wishes to play hockey with a team in the Minnesota Hockey program, without changing his/her residence to Minnesota, must first obtain a properly executed Inter-Affiliate Player Release and a copy of the USAH registration confirmation page from the player's resident state.

Conversely, Minnesota Hockey requires that any Minnesota resident wishing to play hockey in another state, while remaining a resident of Minnesota, must first obtain a properly executed Inter-Affiliate Player Release from Minnesota Hockey.

This protocol is consistent with the terms and conditions of the USA Hockey Affiliate Agreement that grants each affiliate the right of "exclusive jurisdiction" within its geographical boundaries.

The Minnesota Hockey Board of Directors will designate one person who will act upon all Inter-Affiliate Player Release requests from those who submit them, using the following criteria:

1. This protocol applies to all Youth (18 years old & younger) and all Girls (19 years old & younger) programs that are conducted during the Minnesota Hockey "regular season", which extends from the date players are permitted to register for a given year through the end of the Minnesota Hockey Youth/Girls State Tournaments in March, and is intended to be used for season-long transfers. Players in the Adult or Women classifications are excluded from this protocol.
2. Prior to submitting a request for transfer, all players must first register with their resident state. For players coming into Minnesota, an approved Inter-Affiliate Player Release and a copy of the USAH registration confirmation page from the player's resident state must be obtained, then submitted to and approved by the Minnesota Hockey designee before the player may be placed on a Minnesota Hockey team roster. Minnesota players desiring to play outside of Minnesota must provide a copy of their USAH registration confirmation page, verifying they are registered for the current playing season in Minnesota.
3. Transfer of players who live in contiguous border communities and desire an Inter-Affiliate Player Release based upon geographical proximity of their residence, will be considered on a case-by-case basis. Approval of such requests will not be unreasonably withheld.
4. Only Youth (18 years old & younger) and Girls (19 years old & younger) players in good standing with their releasing state affiliate will be considered for an inter-affiliate player release.
5. If another USAH Affiliate elects not to follow this Protocol, Minnesota Hockey may accept players from that Affiliate without following this Protocol.

Further, the Affiliate understands and acknowledges that MH and its aforementioned representatives have assumed such assignment, function, office or capacity upon the express understanding, agreement and condition that they be so indemnified and held harmless to the extent described in this provision.

2.2 MH shall reasonably cooperate with Affiliate in any litigation and provide reasonable support in connection therewith, including but not limited to advice and testimony upon reasonable request; provided, however, that such cooperation shall not require MH to incur any out of pocket expense not reimbursed by Affiliate.

The Affiliate shall be informed of the limits of that policy, and of any changes to those limits which may be made by USA Hockey at its sole prerogative. Affiliate retains the right to obtain whatever additional insurance coverages it may desire, at its own expense, but agrees to name MH as an additional insured thereof. By purchasing and maintaining the aforementioned general liability insurance policy, MH does not assume, and indeed disclaims, any liability for any actions or omissions of Affiliate.

## **J. 501(c)(3) Status**

Minnesota Hockey strongly recommends that the Affiliate maintain its tax exempt status under Section 501(c)(3) of the Internal Revenue Code during the term of this Agreement.

## **K. Abuse**

Affiliate shall adopt policies prohibiting sexual and physical abuse which meet certain minimum criteria established by MH (subject to any contrary requirements contained in state or local law applicable to Affiliate).

## **L. SafeSport**

Affiliate shall require that all programs, officers and volunteers of Affiliate agree to comply with all SafeSport Policies of the United States Olympic and Paralympic Committee, the United States Center For SafeSport and USA Hockey.

## **M. Adoption**

Affiliate shall adopt, as amendments to its By-Laws or as official policy, the foregoing principles set forth in Sections II and III within 180 days of the date of this Agreement. It shall be a condition of the continuation of the grant of affiliate status contained herein for Affiliate to deliver, upon request, written proof of such adoption to MH. If Affiliate does not adopt the foregoing principles as required herein, its members shall not be entitled to the benefits of membership in MH.

## **IV. TERM**

The term of this Agreement shall be for one (1) year, from September 1, \_\_\_\_\_ to August 31, \_\_\_\_\_ and renewed annually thereafter, unless (i) either party shall notify the other of an intention to terminate the relationship herein created no less than sixty (60) days prior to the end of the term provided for above or (ii) earlier terminated for breach as hereinafter provided.

## **V. BREACH**

In the event that Affiliate shall breach any of the terms and conditions of this Agreement, or any of the By-Laws, Rules and Regulations, Playing Rules or decisions of the Board of Directors of MH (which provisions are incorporated herein by this reference as though fully set forth herein), then MH shall have the right to impose sanctions pursuant to By-Law Article 6 of MH's By-Laws and/or terminate (subject to a 30 day right to cure) this Agreement and the status herein granted to Affiliate.

In the event that MH shall breach any of the terms and conditions of this Agreement, then Affiliate shall have the right to terminate (subject to a 30 day right to cure) this Agreement and the status herein granted.

## **VI. MISCELLANEOUS**

For the purposes of consistent administration of this Agreement, the following shall govern and control the relationship between MH and Affiliate:

**A. Notice**

# USA HOCKEY - MINNESOTA DISTRICT

## Registration Requirements

The insurance provided by membership in USAH is in effect when the requirements below have been met. This includes Sports Accident Coverage, Catastrophic Injury Coverage and Liability Coverage. Refer to the Membership brochure for more information. Further, the local associations are protected by the USA Hockey Liability Insurance against player injury provided that all participants (players, coaches and managers) and all teams of the local association are registered. In addition to players, coaches and managers, other individuals considered essential to the game are also covered during games, including timekeepers, scorekeepers, penalty box attendants and goal judges.

The requirements are:

1. Each player and coach on the team is registered with USAH by completing the online registration on the USAH web site and the individuals have turned in the Confirmation Page to be claimed by their local association.
2. All players and all coaches, having been individually registered above, are listed on the Official USAH Team roster. (This does not mean listed on any roster; it means listed on the roster of the team on which they are participating).
3. The team must be participating in a sanctioned event. Sanctioned events are team practices, scrimmage games against other registered teams, league games, tournament games played in sanctioned tournaments, the state affiliate's District, Region and State Tournaments and USAH National Tournaments. All games must be played using USA Hockey playing rules and all referees must be registered with USAH. If a team participates in international competition, including Canada, a travel permit is required.

Any team that participates in competition against a non-registered team, participates in a non-sanctioned tournament or participates in international competition without a travel permit is subject to penalties including suspension.

### **The following are exceptions to the above:**

1. Prior to the regular hockey season it is recognized that Associations may conduct clinics and tryouts that are necessary to decide who is assigned to which team. This period is between when the individual members register and the regular season teams are formed and actually begin playing games. During this period all members are covered by the insurance described above provided that all of the participants (players, coaches and managers) are individually registered prior to participating in any activities. The assumption here is that all participants will ultimately appear on the roster of a registered team. This exception only applies in the fall prior to the regular season. It does not apply to spring or summer programs even though these programs are run by the local association. Note that every participant (players, coaches and managers) must be registered with their local association prior to participation in any activity and that these registrations must be sent to the Registrar or cognizant Associate Registrar not later than ten (10) days following the commencement of these activities.
2. From time to time it may be desirable to have High School players that are not registered members of USA Hockey to provide some coaching assistance for younger youth teams. If this occurs once or twice during the regular season, these individuals will be covered as incidental participants and it is not necessary for them to be registered or rostered. If it occurs more than once or twice, then the individuals must be registered and rostered on the team to which they are providing coaching assistance. There is no limit to the number of coaches that can be rostered on a team. There is a limit of four (4) Team Officials that can be on the bench during any given game.

If any Association wants to run a spring and/or summer program that is essentially a clinic format, then additional registrations are required. The players and coaches participating in this spring or summer clinic need to be individually registered and be listed on roster(s) or on a team list(s) that is in the hands of the Minnesota District Registrar when the individuals are on the ice for the program. Individual registration runs from April 1 to August 31 (17 months), and it is probable that most or all of the participants are already registered as individual members. The roster(s) or the team list(s) can be done alphabetically or otherwise with a limit of twenty (20) players per roster. If the spring or summer program teams plan to participate outside of their local program, the team MUST have a roster approved by the Minnesota District Registrar or designate.

Some teams use scrimmage games as part of their tryout process – 2 or 3 such scrimmages as part of tryouts are acceptable with District Director approval. Because this is part of the tryout process, no rosters are required. Once tryouts are completed, teams may desire to participate in a few more scrimmage games before their roster is verified and signed. After tryouts are complete, the basic registration requirements must be met.

1. All participants (players/coaches) must have registered on the USAH web site and been claimed by their association.
2. A copy of the team roster must be in the possession of the cognizant Associate Registrar. The roster should be marked "preliminary" or "temporary" and must contain the names of all the participants (players and coaches). The roster does not have to be signed by the coaches, and does not have to be approved by the "Proper Authority".
  - a. This roster will be retained by the Associate Registrar until the Official Roster is validated and approved, and is only valid for pre-season scrimmage games. It is not valid for League Games, Tournament Games or games played outside of USA Hockey (i.e. Canada). Games played while this temporary roster is in effect do not count toward meeting National Tournament eligibility requirements.

## Team Credentials Package

Each team participating in invitational, district, region or state tournaments must present the following credentials package to the tournament Credentials Committee prior to participating in the tournament. Any team that does not have a properly completed credentials package will not be allowed to participate in the tournament.

### Minnesota District Teams

- Rosters generated by the Online Registration Program can be supplied by a mobile device. Some arenas may be in a "dead zone" to receive mobile connections or do not have wireless internet so a paper copy of the roster may be required. No signatures are required. Roster approval will be a computer generated message on the roster that will say (USA HOCKEY APPROVED CERTIFIED ROSTER 1T).
- Birth certificates issued by a governmental body (not hospital certificates or baptismal certificates) or passports for rostered players are not required as long as the official roster has been approved by the Registrar or the cognizant Associate Registrar and the roster indicates that all birth certificates have been verified.
- An approval letter from the Minnesota District Registrar for any player participating in a younger age group than is implicit based on the player's birthdate.
- High School attendance certification forms for Junior Gold and Junior Gold 16 teams (this applies to Minnesota District teams only). Invitational Tournaments are not required to check attendance certification forms.

### Non-Minnesota District Teams

- Rosters generated by the Online Registration Program can be supplied by a mobile device. Some arenas may be in a "dead zone" to receive mobile connections or do not have wireless internet so a paper copy of the roster may be required. No signatures are required.
- Birth certificates issued by a governmental body (not hospital certificates or baptismal certificates) or passports for rostered players are not required as long as the official roster has been approved by the Registrar or the cognizant Associate Registrar and the roster indicates that all birth certificates have been verified.
- Individuals listed as "Managers" on the Official Roster are not allowed on the bench.

### Note to Credentials Committees

Teams from USA Hockey Districts other than Minnesota may have credentials packages that vary from our standard. If a team from outside of the Minnesota District does not have the credentials listed above for Non-Minnesota District teams, you should contact:

- Chairman of MH Tournaments Committee, or
  - USA Hockey Minnesota District Registrar, or
  - USA Hockey Registrar or Associate Registrar for the USA Hockey District that the team is from.
- If any one of the above states that the team is properly registered, note who you talked to and allow the team to play.

The USA Hockey Registrars and Associate Registrars are listed in the USA Hockey Annual Guide.

# Minnesota Development Model

## A. Background and Objectives

1. The Minnesota Development Model (MDM) is based on the principles of USA Hockey's American Development Model (ADM) and the Long Term Athlete Development (LTAD) model.
2. MH provides these guidelines and best practices to assist associations in developing programming which supports LTAD. The application of the guidelines will be different from association to association based on number of players, personnel and resources.
3. The MH ADM Committee, Hockey Directors, USA Hockey Coach Education Program (CEP) Staff, District Directors and USA Hockey Regional ADM Manager are available to work with associations towards the implementation and support of these guidelines.
4. The MDM, through utilization of LTAD principles, allows us to integrate training, competition and age appropriate development guidelines so that we can assist each participant in reaching his or her potential. The MDM offers equal opportunity to learn the basic skills for recreation and competition – a key to retaining younger players.
5. Remember, winning comes after fun and skill development. A coach's success is measured by how many kids keep playing hockey.

## B. Guidelines for Mini-Mites, Mites/8U Girls, Squirts/10U Girls, Peewees/12U Girls

1. Utilize a 'Hockey Director' to lead and implement the LTAD, including practice planning and off-ice training sessions.
2. Utilize a Hockey Development Committee to assist the Hockey Director and Administrative Board.

9. Utilize a skating coach and puck handling/shooting coach to work with Squirt/10U & Pee wee/12U teams/players during the season.
10. Utilize a goaltending coach to work with Squirt/10U and Pee wee/12U goaltenders regularly during the season.
11. Conduct a coach's education session once per month specific to the Mite/8U, Squirt/10U and Pee wee/12U levels.
12. Complete an asssn. coaching competency review and develop a plan for improvements, based on the USAH Skill Progression Guidelines.
