- Education/Training – USA Lacrosse Update (Adam/Kayce)
 - Effective January 1, 2024, revised levels and revised memberships
 - Coaches Certifications revised by USA Lacrosse: <https://www.usalacrosse.com/coach-certification>
 - *“The new certification levels for coaches will be Bronze, Silver, Gold and Platinum. Existing Level 1 certified coaches will transfer to the Silver level, Level 2 certified coaches will be transferred to the Gold level and Level 3 certified coaches will be transferred to the Platinum level.”*
 - WMYLC is still requiring all Coaches for 3/4 and higher to be Silver Level
 - Keep a look out for training to be held late February at a central location
 - USA Lacrosse Membership restructure: <https://www.usalacrosse.com/news-media-blog/usa-lacrosse-revamps-membership-structure>
 - *“Beginning November 1, all players aged 22 and under will be grouped into a singular category, combining the existing 6U, youth and high school categories. There will be separate categories for players, coaches, and officials above the age of 22. Additionally, a new fan membership category is being established for those individuals that want to stay connected to USA Lacrosse news and information, but are not actively participating in on-field activities. We are also developing a Program Leader membership for implementation in early 2024.”*

- “The current youth member category will see an increase from \$30 to \$35 and the adult member categories will be increased from \$55 to \$60.”

 - All other divisions will have 2 officials
 - Nicole (Urbana) – Will it be the same scheduler as last year? Yes/No. Joel did both boys and girls schedule but the boys was not usable and had to be redone. Girls schedule was used with slight modifications by Teri. This year, WMYLC will be collecting the schedule constraints and preparing the schedule In-House.

 - Individual field sponsorships
 - Already have several vendors lined up to pay to sell – stringer, Play It Again, clothing, food trucks
