Hello WMYLC Commissioners -

While the emails haven't been sent out in our normal fashion, the executive board was hard at work behind the scenes. We have assembled an adjusted budget for next year which will accurately reflect current costs and anticipated spend rate, in addition to addressing outstanding accounts payable. We submitted our proposal for a 3rd party review by two former WMYLC Presidents. Their review was completed and we are scheduled to receive their feedback in the last week of October. That being said, in lieu of a virtual meeting for October, we are providing updated information via email communication.

1. Open Board Positions - All positions are available but especially Boys Commissioner, Girls Commissioners and Education Lead.
2. Draft 2023-2024 WMYLC Schedule attached.
3. Competition/Rules Committee Members for both Boys and Girls. Meetings will occur early December.
4. As mentioned above, our budget proposal is currently pending, awaiting presentation from 3rd party review. This will be fully discussed at the November 7 WMYLC meeting.

Next WMYLC Meeting will be Tuesday, November 7 at 8pm via Zoom.

Please review the following items and relay any board nomination requests, questions, or comments directly to WMYLC President (aheller007@gmail.com).

Chrissy Heller
WMYLC Secretary
