## 2. About Our Association

Our association focuses on developing skills, sportsmanship, and building friendships on and off the field. Teams compete within the **Centennial League (8u) & Tri-County League (10u +)** and aim to foster an environment where players can learn, compete, and have fun.

Our coaching staff is committed to helping every player reach their full potential, no matter their experience level. Whether you're learning the fundamentals or refining skills, there's a place for you on our team.

### 3. Practice and Game Schedules

- **Practices:** Typically, 2x per week. Day, time & length TBD by coaching staff.
- **Games:** Schedules look different for each age group. A full game schedule will be provided once the season starts.
  - 8U – Two games per week on Tuesdays and Thursdays
  - 10U – Double Header Games on Tuesdays and Thursdays. Tuesday games do not start until June
  - 12U – Double Header Games on Monday and Wednesdays.
- **Tournaments**
  - Each team will have a chance to play in tournaments throughout the season. If a team chooses to enter more tournaments than what is covered by NBFA, then fees will have to be paid for by that team. *See below for what is covered by the association:*
    - 8u (Centennial League Tournament)
    - 10u + (2 Paid, Tri – County Qualifiers & State Tournament)
  - Tournaments vary from **1-3 days in length.**
- **National Tournament**
  - Teams are given “berths” to play in a National Tournament within their respective age group. These “berths” are typically awarded during tournaments (not all give berths for nationals).
  - National Tournaments are typically held locally within MN or surrounding states and are towards the end of regular season play.
  - The NBFA supports the teams that have been given the chance to play in these tournaments and covers a portion of the costs. The remaining fees will need to be fundraised by each team that plans on attending.
