 - Need a plan by next month
- VP – Jason Farr
 - No Report

- Hockey Director – Tim Sinasac

 - 8U grant based % of 8U numbers. Org with highest growth gets \$5k
 - What is the best way to grab kids coming off Olympics in Feb
 - Try Hockey for Free days
 - Advertise well
 - Roundtable of hockey directors and managers. Talked through Challenges, Wins, and what others are facing. Themes:
 - Retention
 - Ice costs – we are the highest cost/hr in the state – possibly the SE
 - SYTHL is hosting its annual meeting. By-law changes, and an election.
 - Travel:
 - 20 kids for 8U prep tryouts. 2 teams. Trying to get to 3 teams next year

- Travel by-laws are posted. Need a scrub next year.
 - Kid leaving 16U SE Beast team and asking to come to 16U Fail. Approved.
- Rec League:
 - Fall rec league is running well and “full” with 30 kids per session (Mites have 50 kids)
 - Winter rec league numbers are coming in.
 - Last year we had 80 mites and 4 teams of 15 in Squirts and 4 teams of 15 in PeeWee/Bantam. Need a minimum of 52 kids for 4 teams and a goalie on each. Ron has blocked ice.
- Lady Wild
 - Try hockey for free. Going to pitch “learn to play” to those kids
 - Tournament planning is going well. Dropped 1 team in 12U and 8U but still a lot of kids/teams coming
 - Ask Ron if we can clean this place up before the tournament (Sept 27-28)
 - Girls’ hockey is set to explode very soon.
- Using FRC Credits with Provision
 - This policy was originally disbanded when Provision broke off and got USA Hockey number.
 - Want to reinstate now that we have a partnership with Provision again
 - Provision would need to invoice KAHA for that player. KAHA can’t pay a person.
 - We would not allow FRC’s to be used on rec leagues (skills/clinics only)
 - Put it on the Resources page next to the by-laws but don’t advertise it.
