

SUPPORT ABERDEEN COUGARS with **RAISERIGHT**

What is RaiseRight?

Raise Right lets you support the Aberdeen Cougars and meet your family's fundraising requirements by purchasing gift cards for brands you already use. A percentage of every purchase is donated back to our team.

Get Started in 3 Easy Steps:

1. Scan the QR code below to download the Raise Right App
2. Create an account using the enrollment code: **1D4EDB28669L1**
3. Start Earning!
 - Purchase physical gift cards which will be mailed to the AHA Raise Right coordinator and distributed to you (plan ahead for these!)
 - Purchase e-gift cards (most popular) which can be used instantly by shopping online or in the store. These are stored in the Raise Right App's Wallet
 - Use the shop-online feature which links you directly to order online with no gift card necessary (no fees)!

Pro Tips:

1. You can choose to link your bank account (\$0.29 fee), debit card (1% fee), or credit cards (3% fee) for purchasing physical & e-gift cards.
2. Some brands allow you to use both a gift card and the shop online feature, which increases your earnings! Buy your e-gift card first, then click on the Shop Now link.
3. **Local Option:** You can purchase physical gift cards for Ken's SuperFair Foods, earning 8%.
