ABERDEEN HOCKEY WELCOMES YOU!

On behalf of the Aberdeen Hockey Association, its membership, and the Aberdeen Community, Welcome to Aberdeen and the Odde Ice Center, the home of the Aberdeen Cougars

Creating a fun experience, teaching hockey skills, embracing teamwork and sportsmanship, and teaching life lessons are the keys to our youth hockey program.

Good sportsmanship is a vital ingredient for all to have an enjoyable experience. Please exhibit good sportsmanship at all games to keep everyone's experience enjoyable and set a good example for those around you. Please use good sportsmanship and be respectful to the facility, spectators, players, coaches, and officials.

The Aberdeen Hockey Association embraces and enforces USA Hockey's Zero Tolerance Policy.

We would like to thank our sponsors listed in the program as well as our supporters that help us in other ways such as maintenance and upkeep of the facility, sponsorship, raffles, and general program support. We encourage you to support our sponsors when you do business within the community.

We hope that you find our facility and community comfortable and inviting. Thank you for your support of hockey and youth athletics with your attendance.

Let the coaches COACH.

Let the officials OFFICIATE.

Let the players PLAY.

Have fun, enjoy the game, and LET'S PLAY HOCKEY!

Please be respectful and place your trash into the garbage cans that are strategically placed throughout the facility.

Duke Witte
AHA President

Welcome to all hockey players and fans. Your participation in this event adds excitement to Aberdeen and we're happy to have the chance to host the games. Aberdeen has worked hard to establish a reputation as the most accommodating site for youth sports.

All of our local sports organizations, the Aberdeen Convention and Visitors Bureau, the Aberdeen Area Chamber of Commerce, our hotel and motel operators, and so many volunteers do their best to make your event a special time you will remember.

Win or lose, it is an effort and the joy of working together in competition that is its own reward, and our job is to do what we can to make the entire season a positive experience of you. If you have any suggestion as to how we could do it better, contact me at my office any time.

Sincerely,
Travis Schaunaman, Mayor
City of Aberdeen

The Aberdeen Convention and Visitors Bureau would like to take the opportunity to welcome the teams, coaches, families, and fans to this year's season. We feel very fortunate to host these games and hope each of you enjoy your stay. Good luck and have a great year!

Sincerely,
The Staff at the Aberdeen Convention and Visitors Bureau

Plans after HS: Attend USD or NDSU for a double major in Economics and Psychology.

#70 // CHLOE VIKANDER

of years playing hockey: 12

Fav team/player: Toronto Maple Leafs/Matthew Knies

Fav Cougar Moment: My favorite Cougar moment was my sophomore year when we won state and watching the clock run to "0" and seeing everyone come off the bench and tackle.

Who inspires you and why: My older brother Ethan inspires me because he went on to play college golf and that just showed me all of the extra work he put in really payed off.

Fav Inspirational Quote: "Doesn't matter, get better. (D.M.G.B.)" - Paul Vikander

Hobbies: Golf, hunting, fishing, hanging out with friends.

Words of Wisdom for younger players: Don't be afraid to take risks, enjoy your time playing, and don't take it for granted.

Plans after HS: Attend college while continuing my hockey career and pursuing a speech pathology degree.
