

# Quarterly update FROM THE DEANS DESK

Dear Parents and Guardians,

I hope you enjoy hearing things that are happening around McKinley. We would like to share some quarterly updates from what we are working on in other areas outside of the classroom!

## Highlights

Did you know we have 5<sup>th</sup> graders who are lunch helpers. These students give up their recess to help kinder, 1<sup>st</sup> and 2<sup>nd</sup> graders in the lunchroom! We also have 5<sup>th</sup> graders who help our Building Engineer clean up after lunch!

Shout out to our safety patrol crew! These students help before and after school. What a great way to get involved.

Our primary students are working hard at following the expectations in the lunchroom. They get better each and every day!

Things to work on with students at home:  
Making sure they are using school appropriate language and keeping hands and feet to self!
