4. U6 Program Discussion & Next Steps

Good afternoon,

I have included association leaders from many of the East Metro lacrosse associations on this email. My name is Kyle Loing, and I am the V.P. for [Stillwater](#) Lacrosse. My goal is to connect associations on the East side of town to run a condensed, accessible, and fun season for 6U. Here is a rough sketch of what we are looking to do:

- 6U will be ran gender specific (Boys league & Girls league)
- Matchups will be ran over roughly 6-8 weeks with sites rotating each week (starting mid-April and wrapping up prior to the 4th of July).
- Games will be small field and ran as double-headers
- If an association doesn't have enough players we can "flex" players or adjust as needed

Can you please respond with the following?

- Is your association interested in partnering for this?
- Could you host one or two game-days?
- Who from your association is the best point of contact?
