For the 2027 USSSA fastpitch season, which begins August 12, 2026, a player's age will be determined by her age on **August 31, 2026**. This new cutoff date of September 1, aligns USSSA with other national programs and places players with September-December birthdays into younger age divisions that should allow for girls to play with teammates from their grade.

Key changes from the 2026 season

- **Age cutoff:** The eligibility date is September 1, meaning a player's age on August 31, determines their division.
- **No exceptions:** There are no exceptions to the age cutoff, even for players who have been held back in school.

Key changes for the 2027 season

- **6U Level:** A new level is being introduced to our program, the 6U level will include mainly 1st graders and kindergarteners.
