A big thank you to all of our coaches and volunteers who helped create a fun, positive, and challenging environment for our athletes.

## Winter 7v7 Football

Last year marked the launch of our very first Winter 7v7 season, and it was an awesome way to keep football going through the winter months!

From mid-January through mid-March, 6th–8th grade athletes packed the new field house each week for competition, skill development, and a whole lot of fun.

We had a fantastic turnout and loved seeing the energy and excitement our players brought all season long.

The success of this year's season has us excited to grow even more next winter by **adding Flag Football opportunities for our younger athletes!**

Keep an eye out this fall for registration details for this exciting winter opportunity!
