President's Report – Hockey Operations

The President provided the Board with an update regarding ongoing challenges related to hockey operations, including team assignments following tryouts, double-rostered players, and communication between Club leadership, the Hockey Director, players, and families.

The President expressed concerns regarding differing approaches to certain operational decisions and the need for improved communication and coordination between Club leadership and the Hockey Director.

The Board received the update and discussed the importance of maintaining clear communication, consistent expectations, and a collaborative working relationship in the best interests of the Club and its players.
