Walt is going to reach out to the state to get issues more rental gear. Request they send out new gear every year.

Also need to get rid of old gear at the end of the season.

- Mini Mite Program Future- Jody Howcroft

Jody's question was why we decided to split the teams, and also doesn't want to see the teams split in the future.

It was discussed that the reason why we split the teams and moved the kids around was because we didn't want to turn away kids that wanted to register for this season and the teams were capped.
