

## GAME JERSEY RENTAL AGREEMENT

AVAHA provides one white game jersey and one black game jersey to use for each hockey season. Jerseys are required for games. A \$25 fee and deposit check of \$160 is required for the player to secure a jersey. These jerseys are to be returned at the end of each season in good condition. Normal wear is understandable and expected. Failure to return the game jersey to AVAHA's Equipment Manager by date set by Equipment Manager will result in the loss of **ALL** jersey deposit money. Your deposit check covers a new set of jerseys.

### JERSEY CARE:

1. Games jerseys are to be brought to and from games on hangers. **DO NOT** throw them in you gear bag with other gear. This will result in small holes, slices, and rub marks. It also decreases the length of time a jersey is reusable.
2. Game Jerseys need to be turned inside out before washing. They should be washed in cold water on delicate and air dry. DO NOT DRY IN DRYER.
3. **Game Jerseys ARE NOT PRACTICE JERSEYS!** They are to be used for games only.
4. Game Jerseys must be returned washed and hanging on a hanger.
