Dear Community Partner,

First, let me thank you for your support of our booster club, because of sponsorship like you, we can provide a safe and fun sport season for kids in our area. To keep the kids playing ball, we need help from our community.

The primary source of funding that allows us to provide community recreation league sports comes from generous sponsors like you. How do sponsorships help? Your donation allows us to provide quality safety equipment and facilities for our players. Most importantly, your generosity allows us to keep registration costs affordable and offer scholarships to families who are not able to pay for youth recreation sports.

Our goals for Arcadia Booster Club include the continuation and expansion of our program in offering scholarships to families in the community and upgrades to our current facilities. Your annual sponsorship will help assure the success of our organization serving the children in our community. There are over 700 children and families that are impacted by the Arcadia Booster Club program, and we want to make sure every child has the opportunity to play sports.

Enclosed please review the information for our sponsorship levels. Please feel free to contact me with any questions you may have. I look forward to speaking with you at your earliest convenience.

Sincerely,

Angel Hedrick
