Appendix B: “PLAYING UP”

Groton Mystic Lacrosse Association

PURPOSE:

The purpose of this policy is to define the exceptions and procedures that would allow any GMLA player to be moved to a team that is different from the one the player’s age dictates (following the USA Lacrosse age guidelines). This process ensures that players are adequately prepared for the more challenging competition and that the move up is beneficial for their development.

USA Lacrosse Position Statement:

“Due to the increased potential for injury and lack of evidence supporting any benefit in the long-term development of a youth level player, USA Lacrosse strongly discourages allowing children below 8th grade to “play-up”.”

GMLA POLICY:

It is the policy of the Groton Mystic Lacrosse Association that, subject to the exceptions listed below, players are not permitted to play on a team outside the child’s age and grade level as defined by USA Lacrosse for any given season. Players who have been “playing up” prior to the 2026 season will be allowed to remain with their current team.

“Playing-Up” Request Procedure:

No requests will be considered until the player in question has registered, paid in full, and been assigned to an age/grade appropriate team. Once that criteria has been met the following procedure must be followed.

Exceptions:

- When a parent is asked by GMLA to coach a different team: If so desired by the parent-coach, a player may move up one level if the parent who is also a GMLA coach is asked by GMLA to coach a team that is different than the one the parent-coach’s child grade dictates. (ex: If the parent of a U 10- 3rd/4th grade player is asked to coach a U 12 5th/6th level team. In this circumstance, the child is permitted to play on the U12 level team as an accommodation to the parent-coach, if approved by the Board)
- When a coach of the older team extends an invitation to play in a game: A player is permitted to play in a game for a team above grade level if invited to by the coach and previously approved by the board. The game must not interfere with the player’s age appropriate team’s schedule. Typically, this is done when the older team is missing their regular players. The following must be completed before the player will be allowed to play:
 - The Coach must submit the name(s) of the requested player prior to the first game of the season

- The board will review the request and reserve the right to approve/deny the requested player based upon player level of experience, size of players current team, recommendation from current coach etc.
 - Max of (2) requests per coach, per season
 - Each player may only be pulled for a max of 3 games, per season.
- When approved by the GMLA Board: The GMLA Board reserves the right to allow a player to move up one team/grade level permanently if requested by the parent/guardian, is agreed upon by the coaches of both the grade/age appropriate team and older team, and approved by a majority vote of the GMLA Board.
 - The player's parent or guardian needs to make a formal request in writing to the GMLA board of directors. Requests must include the rationale for why it is in the best interest of all parties to have the child play-up.
 - GMLA board will vote on the request considering the following: Input from parent/guardian, feedback from previous coaches, input from both head coaches of the impacted teams, impact on team sizes, player's size and maturity level
 - GMLA Board will provide formal written response of the final decision to the parent/guardian requesting the move
- Any board member(s) that are the parent of the player must abstain from voting
- If the majority of the board does not approve, then the request is denied
- If the majority of the board approves, the player will be allowed to "play up" but must complete two seasons at the new level. (ex. If a U10 player is moved to a U12 team, they must play on the U12 team for two seasons).

Appendix F: CODE OF CONDUCT VIOLATIONS

Groton Mystic Lacrosse Association

Corrective Action Plan for Code of Conduct Violations

For minor or repeat violations of the Player/Parent/Spectator/Coach Code of Conduct or expectations, these steps will be followed:

STEP 1 – VERBAL WARNING Coach and/or board members will discuss undesirable conduct with person(s) and stress that this behavior will not be tolerated.

STEP 2 – GAME SUSPENSION The board or league leadership may suspend the offender for a pre-determined number of games depending on the severity of the incident. The offender and parent/guardian, if applicable, must attend a meeting with the coach and at least one board member to discuss appropriate behavior and next steps before the offender can return. The offender will be warned that the next offense will result in his/her expulsion from the program.

STEP 3 – EXPULSION On the third offense, the offender will be expelled from the league or program and no refund will be given. The board will also document this disciplinary action in writing and forward the decision to the head team coach and parent/guardian's registered email address within 24 hours of decision.

These guidelines are not absolute in dealing with Code of Conduct violations. Severe situations could merit harsher sanctions against participants and could result in immediate game suspension or expulsion.
