Welcome Minnesota Hockey Region Tournament Teams!

→ CONGRATULATIONS to you and your team on earning a spot in a Minnesota Hockey Region Tournament! As participants in the Chevy Drive to State, you are one step closer to the Minnesota State Tournament.

This is an exciting time of year. Whether you move on or not, you are part of something special. Hockey in Minnesota is unique, and that difference is what makes it so meaningful—playing with your friends from mini-mites through high school, representing your communities, and being supported by those communities along the way.

There are many people who have helped you reach this point: your parents, your coaches,

and the volunteers in your community programs who make everything happen throughout the season. These are the individuals who schedule ice time, manage teams, plan activities, and host tournaments like the ones you are playing in this weekend. They give their time and energy to provide kids in Minnesota with the best hockey experience in the world.

As you compete this weekend, please take a moment to thank the volunteers, your coaches, and the referees for helping make the Region Tournaments special.

Best of luck to you and your team on the Drive to State. Have fun and enjoy the moment.
