## **Open Hockey Policy (Stick & Puck)**

### **Please review and familiarize yourself with this Policy**

OYHA does an outstanding job maintaining a strong emphasis on skill development during the season. It comes as no surprise that most of the successful past and current OYHA players spent countless hours on the outdoor rinks or at open hockey with their friends honing their skating, shooting, and stickhandling skills. Researchers Frank L. Smoll and Ronald E. Smith found that “at all ages the variable that determined the skilled players from the lesser skilled players was the amount of time spent practicing/playing with a friend(s) a player spent outside of the organized practice and game sessions. In fact, the skilled players reported nearly **twice** as much time practicing with a friend than the non-skilled players.”

Throughout the year, OYHA provides scheduled “Open Hockey” for our players to further develop their skills and understanding of the game in an unstructured setting with friends and teammates. The Hockey Operations Committee continues to identify ways to offer more “Open Hockey” during the year for our players to further their enjoyment and love of the game. It is important that players and parents understand and follow OYHA’s “Open Hockey” guidelines:

- WE WANT TO DISCOURAGE ADULTS/PARENT/COACHES ON THE ICE AND ORGANIZING THE ACTIVITIES FOR THE PLAYERS. ADULTS/PARENTS CAN BE PRESENT TO MONITOR PLAYER BEHAVIOR, BUT WE DO NOT WANT THEM TO DICTATE THE TYPE OF GAME OR ACTIVITIES THAT ARE GOING ON DURING OPEN HOCKEY. WE WANT TO CREATE A BACKYARD ATMOSPHERE WHERE PLAYERS CREATE GAMES OF THEIR INTEREST IN AN UNSTRUCTURED SETTING. (WITH EXCEPTIONS OF ROOKIES) – PLAYERS ONLY
- Attend the scheduled time for your level.
- You (the player) must be a current member of OYHA to attend open hockey.
- Be respectful of others on the ice. Please divide the ice equally so all players have the opportunity to form a game or work on a skill set. Please include all players!
- No checking or contact.
- Make sure all doors are shut.
- All players need full equipment which includes a facemask.
- No hard slap shots.
- No food or drink on the ice.
- Report any dangerous situations or behavior to staff immediately.
- If players fail to follow the above guidelines, they will be asked to leave the ice.

# Grievance Policy

If and when issues arise within a team the following procedures should be followed.

- a. A parent should first request a meeting with a coach regarding an issue after a 24 hours cooling off period after the issue takes place. If a SafeSport-covered incident is involved the head coach should immediately inform the Hockey Director.
- b. If the issue is not resolved to the satisfaction of the coach and parent, the dispute is presented in writing to the Grievance Committee. The Hockey Director should notify the SafeSport Coordinator immediately of any SafeSport-related matter.
- c. Hockey Director and/or SafeSport Coordinator will review complaints, follow the SafeSport protocols, and respond according to SafeSport guidelines. The Executive Committee will be notified by the SafeSport coordinator of all SafeSport issues.

The players, parents, and coaches must follow the Code of Conduct and SafeSport Guidelines. If these guidelines are broken, disciplinary action will be taken.

Disciplinary action for a coach means reprimand, which is documented accordingly. The coach may be suspended or relieved of coaching duties permanently.

No Coach shall enter the Referee Locker Room at any time.

For players, suspension or dismissal from the team for the rest of the year may result.

For parent violation of code of conduct, the discipline is slightly different.

1. First, the parent will be asked by an OYHA Board member to control himself/herself.
2. Next, the parent(s) will not be allowed to attend games or practices for one week.
3. If the problem continues, the parent/guardian can be fined and/or suspended for a period of games or remainder of season.
