OLD BUSINESS:

Update on district & regional tournaments we are hosting-

Maria will draw up all the brackets herself so they are correct and will hang at the arena, it's hard to find someone who can print that size material. Waiting to hear from the region director if they will send us a bracket or if we need to make our own for that tournament. We will open up dibs hours for the regional tournaments for concession stands and penalty boxes. All teams need to cover the penalty box for district tournaments while playing the game as they did during the season. Regional tournaments we need to cover penalty boxes, gamesheets, clock and concession stands.

Sauna Raffle recap, what went well, what didn't, changes for next year etc- No update.

Concession stand coordinator compensation discussion

(Next Season) We will waive the fees for the concession stand coordinator, not to exceed \$2,450 total and a \$600 cash payment along with mileage for a total of \$4,850 in total compensation for the 2026-2027 season. (Starting after the annual meeting). For this season we would like to compensate her \$600. Bill will put this together and email it to the board and we will vote via email for this.

Jerseys for next season update

More to come on this at the next meeting. Rambow sports is putting together options on jerseys and the ordering process.

Bantam B2 Home Tournament Recap

We came out about \$1,700 ahead on the Bantam B2 tournament we hosted. Next season we will look at the 2nd weekend of January (8-9-10) to host this again, we will try to open it up to more teams and have a bigger tournament, 12-16 teams. Siri will check with Justin Brown to check his hockey schedule for next season to see if that weekend is free or not.

NEW BUSINESS:

Year end clinics

These will be held the last week of February at DC and the 1st week of March at Litchfield. Monday, Wednesday, Friday for the first week and then Monday-Wednesday the 2nd week. We are planning to invite last year mites to come skate with the squirts, we will try to keep it fun for that age with a scrimmage on the last day. This will be about \$75 per skater for these clinics and we will discuss more at the next meeting.

Year End Coaches meetings

We will set these dates and times at the next meeting if we have a better member turnout. This year we want to allow 30 minutes per meeting, Jason will try to figure this out and get back to us on what it would take.

Last year we did these meetings on March 18 at 6:00 PM and allowed 20 minutes for team

Next meeting February 15.
