2021-22 OPRF HUSKIES HOCKEY

Dear OPRF Huskies Hockey Community-

We hope you enjoy our 2021-2022 OPRF Huskies Hockey Club Yearbook.

This project was a collaborative effort requiring the support from our players, their families and the community at large. After a season without competitive hockey and in the face of continued Covid-related challenges, the club has accomplished more this year than ever before, much of it reflected in the pages that follow.

We would like to thank our club volunteers who continue to support our players, coaches and community partners. Our club, being a volunteer-run organization, relies on membership participation to make the OPRFHC a success. Thank you for your commitment and dedication!

A special thank you to our advertisers for their contributions to this book which provides financial support for the hockey program. Please keep these businesses in mind when you find a need for their services or products.

This was the first year for our new Hockey Director, Randy Schlesinger and his coaching staff. We would like to thank them for their tireless efforts and their ability to balance hard work, team play, sportsmanship, accountability, and fun.

Finally, a special thank you to Jason Clary and Magda Piper for their work in creating this yearbook. It will be a keepsake for our players, their families and especially our seniors who have given so much to the program.

Go Huskies!

OPRF HUSKIES HOCKEY CLUB HAS HEART

We are not just a team building our hockey skills and playing games, we are learning how to take an active role in our community to make a difference. A big part of our culture is giving back to our community in a way that we are active participants. Whether it's raising money for our local food pantry or animal shelters, we are active participants in our community and learning how to give back to the world we live in.
