2025-26 OPRF HUSKIES HOCKEY

Dear OPRF Huskies Hockey Community,

Welcome to the 2025-2026 OPRF Huskies Hockey Club Yearbook!

This yearbook is more than a collection of photos and memories, it's a reflection of the dedication, resilience, and passion that define our Huskies community. Each season brings its own challenges and triumphs, and this year was no exception. Through it all, our players, families, and supporters showed what it truly means to be part of OPRF Hockey.

We extend a heartfelt thank you to our club volunteers who continue to give their time and energy to support our players, teams, and community partners. As a volunteer-run club, OPRFHC thrives because of the commitment and care shown by so many behind the scenes, and we are deeply grateful for all you do.

We would also like to thank our coaches for their dedication to our student-athletes and their commitment to teaching the game while reinforcing the values that matter most: hard work, teamwork, accountability, sportsmanship, and respect. These lessons extend far beyond the rink and help shape our players both on and off the ice.

Our deepest appreciation goes to our advertisers and sponsors whose generous support helps sustain our hockey program. Please consider supporting these businesses whenever possible, they are valued partners in our Huskies family.

Thank you for being part of OPRF Huskies Hockey.

Go Huskies!

At age 8, the goaltending bug bit you, and bit hard. The team had been "passing the pads" all spring. When it was your turn, you seemed destined to play between the pipes. We've loved watching your hard work and dedication be rewarded with success!

Love,
Mom & Dad

Frankie Varela 62

No weekends free for the past 12 years has been worth it. I still see that little boy who fell in love with the game and never looked back. Always play for him and remember you are what God created you to be AMAZING!

We love you.

OPRF HOCKEY CLUB HAS HEART

We are not just a team building our hockey skills and playing games — we are learning how to take an active role in our community and make a difference. A big part of our culture is giving back in ways where we are active participants, not just supporters. Whether it's raising money for our local food pantry, supporting victims of domestic violence and their families, or partnering with organizations that create meaningful opportunities for individuals with disabilities to thrive, we are committed to being engaged members of our community and learning how to give back to the world we live in.

Since 2002, the OPRF Hockey Club has honored the memory of Huskies Kevin Bolin and John Cooper through the Bolin-Cooper Scholarship, supporting senior players in their post-high school education. Over 20 years, more than 30 players received scholarships totaling over \$200,000.

The 2021-22 season marked the final year of the Bolin-Cooper Scholarship, but its legacy lives on. The remaining funds were gifted to the club, serving as the foundation for the OPRF Huskies Hockey Club Scholarship.

Sustained through club fundraising and generous Alumni donations, this scholarship continues the tradition of recognizing outstanding seniors who have played at least two years with the club.
